

The truths of “U” ***(16 October 2023)***

On 15 October 2023 while I was thinking “Why today, yesterday, and the day before yesterday, I have rarely heard the voice of prostitute princess Ubolratana Rajakanya?” then, I heard her voice replied “ฉันหายไปสั่งอิสบอลเลาะห์มา” or can be translated in the English language “You did not hear my voice because I spent my time to order Hezbollah!”

After that, I figured out “I read the news “Hezbollah is going to help Hamas to fight against Israel” from LINE Application on 13 October 2023”!

Later on, I heard “Who order Hamas to rape women?” Then, I heard the voice of prostitute princess Ubolratana Rajakanya replied “I ordered. I order Hamas to rape women, and then kill the women!”

Next, “Allah” or another name is “Jehovah” told Me “When the members of the satanic Chakri dynasty feel stress, they will do wickedness, then, they will feel better!”

After a while, “Allah” or another name is “Jehovah” advised Me to ask Hamas to help Hamas to understand themselves “Kay. Ask Hamas “Why did you want to have sex at the time when you were fighting against people whom you think they are “enemies”?” “What else are the penalties of rape in The Muslim World?” And “You are people of an Islamic party of Palestine, why did you do that?”” Then, “Allah” or another name is “Jehovah” told Me “Kay. This is one of the attempts of pimp king Bhumibol, the satanic Chakri dynasty, and all Thai people to fool You and foreign people into believing “One of the natures of Muslim men is crazy about “having sex”” to be one of the alibis of pimp king mha Vajiralongkorn and to blacken many Muslims later!”

I would like to emphasize an important truth again: Foreign people who are ordered and/or are controlled to do or not to do as their orders do not understand themselves. They think “I have my own best reason to do or not to do!”

Before 15 October 2023, I saw many Muslim women show their busts and recruit a boyfriend or a husband on Twitter many times. “Allah” or another name is “Jehovah” told Me “Kay. The members of the satanic Chakri dynasty ordered Muslim women to do those. Many of Muslim women who did those are Indonesians and Malaysians. And as of lately, many of the Muslim women knew “We were ordered” but they are controlled to think “We cannot do anything, so we have to follow the orders before!””

Before 8 September 2023 not many days, there were the time when I did not hear the voice of prostitute princess Ubolratana Rajakanya periodically. At the end of those times, after I had wondered “ทำไมไม่ได้ยินเสียงมัน มันหายไปไหนวะ” or can be translated in the English language “Why did not I hear her voice? Where is she?”, I heard her voice “ฉันหายไปโกหกราชวงศ์อังกฤษกับคนต่างประเทศมา” or can be translated in the English language “You did not hear my voice because I spent my time to lie to The British Monarchy and foreign people!” and “ฉันหายไปโกหกราชวงศ์อังกฤษกับราชวงศ์ต่างประเทศมา” or can be translated in the English language “You did not hear my voice because I spent my time to lie to The British Monarchy and foreign monarchies!”

I would like to underline the truths again. “Allah” or another name is “Jehovah” told Me many times “Prostitute princess Ubolratana Rajakanya let You know the truths of her to be her alibis “I did not do. If I did, I would be afraid and I would stop. I was blackened. Other people did!” And “I did not do. I am not idiotic. If I did, why I let The God told Kay that I did? I was blackened!” so, she has had much time to order and torment foreign people including The British Monarchy, all ethical foreign monarchies, Hamas, Hezbollah, and Iranians and to provoke and torment You by herself!”

I would like you to know: “Allah” or another name is “Jehovah” told Me “Kay. The name of prostitute princess Ubolratana Rajakanya is started by the alphabet “U” which Lady Gaga pronounces “Hamas, be myself, respect my “U”” in the song “Born This Way”. Lady Gaga knows from Me “U” is “prostitute princess Ubolratana Rajakanya”. But Lady Gaga agreed with pimp king Bhumibol and the satanic Chakri dynasty to lie to foreign people including judges and juries in every court of law “The pronunciation “U” from the song “Born This Way” is “Princess Eugenie of The British Monarchy”!”
