

Their plans to alibi
(3 September 2023)

The Father Almighty told Me “Kay. Because You told foreign people “After Prince William will have known the truths and will have started to help Me, My Parents, and My Group to fly, I, My Parents, and My Group will be continued detaining in Thailand until My birthday in the next year almost comes” so, to tempt foreign people not into believing Our Words, pimp king Bhumibol, the satanic Chakri dynasty, and high-level Thai soldiers have consulted one another “Or we should choose the plan which is that immediate letting Kay, Her Parents, and Her Group go with Prince William and Prince Harry after they know the truths and call our king to let Kay, Her Parents, and Her Group go to be our alibi “If we did, why we immediately let Kay, Her Parents, and Her Group go?””

Another truth I would like you to know is that all Thai people have worked together to pretend “We are following orders of the Satans and all evil people” and “We never know what the future will be” to be their alibis in every court of laws.

All which pimp king Bhumibol, the satanic Chakri dynasty, and all Thai people have done are because they really know what will happen to them and Thailand if foreign people including judges and juries in every court of laws especially Muslim judges do not believe their alibis but believe Words of The Father Almighty and Me!
