

## ***Their plans to alibi (2)***

***(4 September 2023)***

The Father Almighty told Me a long time ago “Kay, when The Release Day comes, all Thai people will dramatize “We were released the same as foreign people!” to be their alibi “We were ordered and controlled!”

The Father Almighty and The Holy Spirit in My Soul told Me “Kay, after The 1<sup>st</sup> Release Day will have passed, pimp king mha Vajiralongkorn, the satanic Chakri dynasty, and all Thai people will have the conditions of people who do not sleep enough because they cannot fully sleep in that they knew what are happening to them and Thailand. But they will alibi “We cannot sleep because we are people who can reform ourselves and do the right!”

The Father Almighty and The Holy Spirit in My Soul told Me “Kay, You told Will, Daddy Charles, Harry, and foreign people why doctor Thakrit Chompoosang quickly made appointment with Your Dad to operate, so the operation of Your Dad is postponed because pimp king Bhumibol, the satanic Chakri dynasty, high-level Thai soldiers, and doctors who agreed to work the plan have more time to consult one another “Should we immediately let Kay, Her Parents, and Her Group go with Prince William and Prince Harry after King Charles calls our king to ask our king for letting Kay, Her Parents, and Her Group go?” And they planned to alibi “Most of Thai people including most of Thai doctors did not join the plan. We did as the orders. We are blackened!””

By the way, I would like to underline the truths again: If the pimp kings of Thailand, the satanic Chakri dynasty, high-level Thai soldiers, and Thai powerful people choose to continue detaining Me in Thailand until My birthday in the next year almost comes, some of their alibis are;

1) “We just figured out what we must do after Kay’s Dad had been operated the joint bones of his leg for the first time!”

2) “We just figured out what we must do after Kay had started renovating Her Home!”

3) “If all Thai people and Thailand are not the most appropriate for Kay, why The God sent Kay to be born in Thailand?”
