

They themselves refused to confess to go into

“Process of Redemption”

(I wrote these truths and posted them on My website on 1 November 2022. But I corrected them again as The God recently told Me in the middle of December 2022 for this book.)

I told you “One of the reasons why pimp king Bhumibol and the satanic Chakri dynasty do not stop running the devil’s dirty plan is The God told them “King Bhumibol is a Satan, and all members of the Chakri dynasty are a group of Satans and devils. You cannot reform yourselves definitely.”

Whereas, The God told Me on 31 October 2022 at 10:17 pm and in the middle of December 2022 ...

... “After You had taken paracetamol overdose in 2002 and pimp king Bhumibol and his satanic family **had known “What will happen if Kay dies”**, pimp king Bhumibol and his satanic family told Me (The God) “We will reform ourselves” ...

... So, I told them “If you all want to reform yourselves, you must confess your sins and mortal sins what else you all have offended since you all were born. After that, you all will go into **“Process of Redemption”**. Later on, you all will have a chance to start your new lives in the new ethical world” ...

... However, pimp king Bhumibol and all members of the satanic Chakri dynasty **refused to confess**, and made up their minds to **continue running their plan** even though I (The God) have periodically warned them **“Karma is real and an everlasting truth”!**”

The God told Me “I let them know what they are from You!”

...

Did you know why pimp king Bhumibol and all members of the satanic Chakri dynasty persuaded their friends such as the US. presidents and the US. Governments not to confess but continue running the devil’s dirty plan even though they themselves knew that they will not definitely win The God? **Did you know why** pimp king Bhumibol and the satanic Chakri dynasty have enticed, ordered, and controlled untold foreign people to commit the plan together? **And did you know what kind of men** pimp king Bhumibol and all members of the satanic Chakri dynasty are?
