

My letter to Bruce Willis

(31 March 2022)

(I wrote this letter and fast posted it on My website on 31 March 2022) ...

Dear Mr. Will-is 😊😊,

I heard your medical condition, and it is very, very bad news for Me. In that you are My most favourite actor. I watched almost of your all movies which released in Thailand. Your first movie which I watched was “Die Hard (1)”. I love action movies, so I have been trapped in your acting by “Die Hard (1)” since then. “Armageddon” also is My most favourite movie. And I knew that you and “Armageddon” are My most favourite as you are Mr. Will-is 😊😊.

Mr. Will-is, sir. Because you are Mr. Will-is, so I know that you were ***born to be*** My most favourite actor. And we were born to help one another to save the world 😊😊.

Mr. Will-is, sir. The God told Me “Because Bruce Will-is knew “I’m the most favourite actor of The Daughter”, so he wants to help You by speaking the truths out. Because of that, he got “Aphasia””. Mr. Will-is, sir. Before I heard your bad news, I had started to think “Foreign stars are “selfish”. Many of them must be “trouble makers””. However, your bad news helped Me to know “There still are foreign stars who are kind-hearted, generous, and sympathetic”. ... Mr. Will-is, sir. I wholeheartedly appreciate for your kindness. ... And an important truth is that you will recover after Prince William and I will have been at The Holy Home. I also really hope that after The God will have turned back the time to 1990, we will still be “friends” the same as at this time 😊😊...

Mr. Will-is, sir. Whatever and wherever you are, remember My words ... Though your ***“surroundings in your mansion”*** have hurt you (in that you married your ***“wife”*** after The God had started opening My mind), we are “true friends”. And I, The Daughter of The God, always stand by you 😊😊 ...

... ***You always are My Hero*** ... Mr. Will-is 😊😊 ...

... Stay strong ... Mr. Will-is 😊😊 ...

... And “God bless you” ... Mr. Will-is ... 😊😊.

Pure regards,
Kay
