

Try thinking twice

(I wrote these questions and posted them on My website on 1 November 2022)

I asked you the following questions long time ago. And now, I would like to request you all to try thinking twice again;

1) All innocent foreign creative people and many Christians knew “All Thai people just think sins and mortal sins” (the same as pronunciations in the song “Just My Imagination (Running Away With Me)” sung by The Temptations) and “Lastly, The Father Almighty will take all Thai people to die in hell and the eternal flame forever, and will make Thailand to be sunk into the sea”.

So, think twice ***“If it can be judged to be a sin or a mortal sin by complete doing before, how can The Father Almighty take all Thai people who all just think sins and mortal sins to die in hell and the eternal flame forever, and how can The Father Almighty make Thailand to be sunk into the sea?”***

If you answer “All Thai people thought to order others to do sins and mortal sins instead of them”, I would like to remind your answer “All Thai people ***“thought”***”. I mean that all Thai people “just ***“thought”***” 😊😊.

To guide you to figure out, please read The New Testament: James 1: 14 – 15 again 😊😊.

2) If you think “The man can erase his sins and mortal sins by confessions”, I would like you to carefully consider ***“Jesus teaches you about “Bearing of fruit” (Please read Matthew 7: 15 – 20), so why do all good Christians truly believe “One can erase his sin or mortal sin by only confession”?”***

3) ***Initially***, The God ***told*** Prince William and all good British people “Kate is ***a harlot***” “These women are harlots” and “All Thai people are ***evil people***”, so it shows that The God ***completely grouped*** Kate and “these women” into the group of “harlots”, and ***successfully grouped*** all Thai people into the group of “evil people”. Why does The God need to test them ***again***? And if Jesus would come to judge the living and the dead in the current millennium, why did Jesus need to judge them ***again***?

... Try thinking twice ...
