

What have happened to Me?

(13 July 2023)

(I wrote these truths and posted them on My website for the first time on 13 July 2023. But I completed them and posted them on My website again on 14 July 2023.)

I would like you to know;

1) My dad has needed to go to Chulabhorn hospital which belongs to prostitute princess Chulabhorn Walailak who is the youngest child of pimp king Bhumibol and prostitute queen Sirikit.

As of lately, because My dad cannot walk normally, so I always go to Chulabhorn hospital with him to pull a wheelchair for him. Pulling a wheelchair for My dad makes Me feel good and so fun. But I never forgot to clean some points of a wheelchair by spraying alcohol at the points of a wheelchair to be safe for Me and My dad. In that staff of the hospital just place wheelchairs but do not clean the wheelchairs.

However, on 3 July 2023 when was the latest time I went to Chulabhorn hospital with My dad, My dad ordered Me "Kay, you must not clean any wheelchairs before pulling it for Me. Chulabhorn hospital has been managed by high standard!"

The Father Almighty told Me later "Prostitute princess Chulabhorn ordered Your dad to order You like that in that she is afraid "My hospital will not get "ISO""!

2) In early July 2023, I usually bought beverages especially orange juice from 7-11 (Branch Code: 00179). The last three times I bought a glass of orange juice, I noticed that after I had drunk the orange juice, I did not want to sleep but felt "hard-working" and had power to work. However, after I had drunk the orange juice, My urine was dark yellow even though I had drunk much drinking water.

The Father Almighty told Me on the last time I bought the orange juice "Kay, in the orange juice has an amphetamine (or Thai people call "Ya-Bah") and/or some kinds of drugs. All Thai people really want You to addict drugs and be kidney failure!"

The day when I wrote this document for the first time was 13 July 2023. At the midday, I bought spicy vermicelli with sausages from 7-11 because I thought that they can put drugs into their beverages only. Whereas, I noticed that the spicy water of the menu spilled out of the bowl, the vermicelli was scalded until the vermicelli decomposed, and after I had had lunch, though I had drunk much drinking water and had not drunk any beverages from 7-11, My urine was dark yellow again!

The Father Almighty told Me on that day “The spicy water of the menu spilled out of the bowl in that I Myself did not let You to eat it!” “The cooker needed to scald the vermicelli for a long time to let drugs absorb into the vermicelli!” And “Ple (who is the cooker and messenger) has thought “I want to be a branch manager!””

On the same day, in the afternoon, at around 2:00 pm when was the time I always bought the orange juice, I started to feel very dry at My lip and mouth, so much thirsty, and wanted to drink a glass of orange juice from 7-11 again. And I felt these feelings until in the evening!

And on 14 July 2023 when was the day I completed this document, I have felt very dry at My lip and mouth and so much thirsty since the morning!

The Father Almighty told Me “These conditions will go on around 2 – 3 days if You do not drink any beverages and/or eat fresh instant food from 7-11 again!”

And The Father Almighty told Me a thought of Thai people to ask Ratchaneewan Ad-harn and Ad-harn family “Why do not you let Kay addict drugs before telling Her the truths?”

Before 7-11 did these to Me in July 2023, Mr. Manit Chanapoj who is the branch manager of the branch had put drug-facilitated sexual assaults into a glass of milkshake I bought to drink on 10 February 2023. After that, I did not buy any beverages from “All Café” of the branch for a long time. The first time I started to buy a beverage from the branch again, I wrote in the message box “Do not put any drug-facilitated sexual assaults into My glass!” However, I sometimes got diarrhoea after I had drunk beverages from the branch but I thought “The Ice in the glasses may be dirty” And I bought the orange juice from the branch because after I had drunk, I did not have any sexual emotion and did not get diarrhoea. I did not think that they do not feel ashamed to put drugs into My glass!

The Father Almighty told Me “Kay, one of the reasons why they have done these evil things to You and have not stopped is that they have prepared to alibi “We are ordered” and “We are controlled”!

Could you figure out the more time King Charles has given to his wicked authorities, the more time pimp king Bhumibol, the satanic Chakri dynasty, all Thai people, and all evil foreign people can spend to violently torment Me and My parents?

...

(To be continued on page 3 ...)

Two of the situations I told you earlier are just the little examples what have happened to Me which are the reasons why I have really needed help From King Charles, Prince William, Prince Harry, and The British Monarchy.

I have not deeply slept every day since 2000, so I have felt too tired to do all housework. I have truly wanted to rest. If Prince William fast call Me, at least, I will have “My personal assistants” to cook for Me and My parents. So, I do not need to buy any instant foods from any Thai people.

I also actually want to know after Prince William will have called Me to talk the truths to Me, and then after Prince William will have declared the truths, will pimp king Bhumibol, the satanic Chakri dynasty, and all Thai people will continue pretending to know nothing and continue forcing Me to live in lies which make Me so stress?

...

Note: Although King Charles is fooled into waiting for around 7 months, pimp king Bhumibol, the satanic Chakri dynasty, all Thai people, and all evil foreign people will blacken Queen Elizabeth, King Charles, Prince William, Prince Harry, The British Monarchy, all British people, and American creative people “Queen Elizabeth, King Charles, Prince William, Prince Harry, The British Monarchy, all British people, and American creative people have known “What have happened to Kay and Her parents since 2000”. If they did not really want Kay and Her parents to pass on, why no British person, no British creative person, and no American creative person helps Kay and Her parents? And why King Charles waited for around 7 months after he had known “We are cheated into waiting”? Queen Elizabeth, King Charles, Prince William, Prince Harry, The British Monarchy, all British people, and the American creative people have waited for around 24 years to see Kay and Her parents die!”

.....
