

Who has planned “War Plan” for Vladimir Putin? (I wrote these truths and posted them on My website on 27 May 2022)

I recently had a chance to read an article written by Winthacha Siritaweek on 22 May 2022.

In the article, the Thai writer told Thai readers “The first nu-clear of Russia to the US. and his friends is “natural gas”. And the second nu-clear of Russia to the US. and his friends is “food””

The Thai writer also told the Thai readers:

“We just spend a little time to wait. When the winter comes to the US. and Europe, and Americans and Europeans do not have natural gas to heat and do not have food to eat, how can the 24 countries who are not friendly with Russia live? Thus,

a. I pray for Thailand to have good weather for Thai agriculture in 2022. If in 2022, the weather in Thailand is suitable for Thai agriculture, 35,000,000 Thai agriculturists will have good income certainly.

b. If the winter comes, but everything in all over the world is too expensive, people in the US. and Europe will run away from “cold weather” to stay “vacation” and/or “workcation” in Thailand where is the ***first choice*** of them. And

c. Now, “export industry” of Thailand is more growing up. We are waiting for “tourism industry” of Thailand to more grow up. ***Thailand will become “oasis” of the world!***”

From the article, can you reason who has planned “War Plan” for Vladimir Putin?

For Me, whatever ***“satanic”*** people will do, they can do. Because ***they have the time to do until 21 June 2022 at 9:03 pm will come!***

(The God told Me on 27 May 2022 at around 7:55 am “Because You were sent to be born and I (The God) started opening Your mind in 2000, so “satanic” people cannot use nu-clear for war. In that at the time when they start to use nu-clear for war, the Satans and all evil people will be immediately brought to die in merciless torments where are called “hell” and “the eternal flame” forever!”)
