

Why?

(7 Pages)

If you come in this topic, please do not leave it before you read it all.

Please carefully consider: All good Christians knew I am *The Daughter of The God*. Countless good Christians knew I am *The Prophet*. And many good Christian creative people knew I come *to help, to change the story, and to teach* as I know the truths of “karma” (“bearing of fruits”) and because I come, so all good foreigners and all foreigners who can reform themselves will see purgatory, hell, the eternal flame, and heaven in My eyes, and will feel purgatory, hell, the eternal flame, and heaven in their dreams. But why *nobody* follows Me, My words and My solution?

I told everyone many times. Since *the end of November 1999*, Ratchaneewan Ad-han, pimp king Bhumibol, the satanic Chakri dynasty, Ad-han family, and almost all Thai have conditioned The God “If You don’t want Kay to be death, everything in the world must be *as our thoughts*” And “If You aren’t under our orders, *we’ll kill Kay!*” I also told everyone many times. The God has followed almost all of their orders because I have been still detained in Thailand, the worst country where The God let all foreigners call “The prostitute country”, and The God strongly wants to teach everyone to try to do the right his best to solve his problem before pray to The God to request The God to help him.

I mean that *if I am still detained in Thailand, almost everything in the world will still be as the thoughts of Ratchaneewan Ad-han, pimp king Bhumibol, the satanic Chakri dynasty, Ad-han family, almost all Thai, and all evil people.*

Pimp king Bhumibol is the male Satan. Ratchaneewan Ad-han is the female Satan. The satanic Chakri dynasty and Ad-han family are devils. And almost all Thai are devils and sinners. Could you figure out what their thoughts are?

Because they are the Satans and evil people, so examples of their thoughts are;

- 1) “We strongly want humans to *not listen to* and *not follow* The Prophet (Kay)”
- 2) “We *can* (continue to) violently torment The Prophet (Kay) and Her parents *to pass on*”
- 3) “We don’t strongly want anyone *to help* The Prophet (Kay) *to survive*”
- 4) “We strongly want the world to be *opposite* to The God’s wills” (Examples are the world must be been *full of* bad people, soulmates must *be separated* from each other, and good humans must *be gotten hurts!*)

Please think twice again: All good Christians knew I am *The Daughter of The God*. Countless good Christians knew I am *The Prophet*. And many good Christian creative people knew I come *to help, to change the story, and to teach* as I know the truths of “karma” (“bearing of fruits”) and because I come, so all good foreigners and all foreigners who can reform themselves will see purgatory, hell, the eternal flame, and heaven in My eyes, and will feel purgatory, hell, the eternal flame, and heaven in their dreams. But why *nobody* follows Me, My words and My solution?

The God told Me “Thai who decide to join the devil’s dirty plan, have chances to spend their lives abroad. But Thai who decide to not join the devil’s dirty plan, do not have any chances to spend their lives abroad. More than *95 percentages* of Thai who spend their lives abroad have worked the devil’s dirty plan with pimp king Bhumibol, the satanic Chakri dynasty, Ad-han family, and almost all Thai in Thailand together. Pimp king Bhumibol, the satanic Chakri dynasty, Ad-han family, and almost all Thai in Thailand let few Thai who do not work the devil’s dirty plan with pimp king Bhumibol, the satanic Chakri dynasty, Ad-han family, and almost all Thai in Thailand together to spend their lives abroad to make excuses for all Thai who work the devil’s dirty plan.”

Pimp king Bhumibol has pretended to die, so he has had much time *to think to control* Will, The British Monarchy, and all good foreign monarchies.

Where is prostitute queen Sirikit? And what she spends her time for?

Pimp king mha Vajiralongkorn usually spends his life in Germany. What he spends his time for? If he is in Germany, when Will, The British Monarchy, and all good European monarchies wake up, he will wake up too, right?

Children of pimp king mha Vajiralongkorn, prostitute princess Ubolratana Rajakanya, and prostitute princess Chulabhorn Walailak spend their lives in the US, the UK, and Europe. What they spend their time for?

Many Thai politicians do not work after the latest coup de tat in Thailand. Where are they? And what they spend their time for? Where are Abhisit Vejjajiva, Thaksin Shinawatra, and Yingluck Shinawatra? And what they spend their time for?

In 2000, the Thai government had “Early Retire Project” to allow Thai government officers to retire before 60 years old. Many Thai government officers, many Thai soldiers, and many Thai policemen including “Prakat Sataman” who was a policeman, well-known of investigation, and I heard his voice *“Policemen*

know how other policemen work”, agreed to retire in this project. Where are they? And what they spend their time for?

Numerous Thai are studying in the US, the UK, and Europe. Scores of Thai are working in the US, the UK, and Europe. And copious Thai are living in the US, the UK, and Europe. What they spend their time for?

One who has been as the thoughts of the Satans and all evil people has been thought “I have my own best reason to not follow ***The Prophet!***”

Please think over again: All good Christians knew I am ***The Daughter of The God***. Countless good Christians knew I am ***The Prophet***. And many good Christian creative people knew I come ***to help, to change the story, and to teach*** as I know the truths of “karma” (“bearing of fruits”) and because I come, so all good foreigners and all foreigners who can reform themselves will see purgatory, hell, the eternal flame, and heaven in My eyes, and will feel purgatory, hell, the eternal flame, and heaven in their dreams. But why ***nobody*** follows Me, My words and My solution?

Please listen to Me and think carefully. The God knows the mind of each man and what the future will be, so The God grouped Camilla, Kate, Meghan, and some devilish women into the group of ***“harlots”*** and ***“rebels”*** who all are ***“devils”*** since they were not born. But these devilish women ***ordered*** The God to call them ***only*** “harlots” so as to run their plan to ***“overthrow”*** the monarchs. ***People who plan and run their plan to overthrow the monarch are “rebels”, right?*** But ***where*** are Camilla, Kate, Meghan, George, and Charlotte?

Will has allowed Kate and her children who are ***“rebels”*** to spend their lives in his palace, and has not contacted Me. Who ***was hurt Her feelings?*** But who are ***fulfilled and so happy?*** Who ***cannot*** succeed in Her missions? But who ***can*** continue to run their plan to overthrow the monarch?

Have you ever listened to the song “I Will” sung by Dia Frampton and Blake Shelton? One of the missions of Will is to make Me so sad, right? Think through: If Will’s missions ***were*** to spend his life with a harlot and let Me cry, why The God sends ***“the soulmate”***? The God told Me many times “I created Will and sent Will follow You later ***to set the best example of how a gentleman have to treat his own soulmate! Will’s missions are to help You to go out of Thailand to fly (Your helper), and to look after and take care of You!***”

Sovereign Prince Albert II of Monaco, King Willem-Alexander of the Netherlands, King Felipe VI of Spain, King Jigme of Bhutan, Prince Charles, Prince Frederick of Denmark, and Prince Harry have also allowed *“the rebels”* to spend their lives in the palaces, and have not followed My words. Who *was hurt her feelings*? But who are *fulfilled and so happy*? A person who was hurt her feelings is *“his own soulmate”*, but people who are fulfilled and so happy is *“the rebels”*, right? And a significant question is that *should “the rebels” be allowed to spend their lives in the palace? Think over: where should “the rebels” spend their lives in?*

(Camilla, Kate, Meghan, and some devilish women *ordered* The God to call them *only* “harlots” because if these women let The God and Me frequency called them *“rebels”*, Will and many righteous foreign authorities would *figure out* “What we must do to them”.)

Not only you all have been as the thoughts of the Satans and all evil people *since the start* but I also have been as the thoughts of the Satans and almost all Thai since then. (I am telling you in this document later what I was as the thoughts of the Satans and almost all Thai at the start)

And now not only Will, his family, and his good authorities are being *as the thoughts* of the Satans and all evil people *to continue allowing* Camila, Kate, Meghan, George, and Charlotte who are *“rebels”* to spend their lives in the palaces, and to not contact Me, but I am *also* being as the thoughts of the Satans and almost all Thai to think “I was fooled to wait for Will” “Will isn’t My soulmate”. And “I need to look for “a new man””. The God told Me “They have thought together “Kay must scold Will “Idiot!”” too. Think twice: How *different* of Me between the time when The God freshy opened My mind and today? Not only My appearance but also My behaviors, right? I told all Christians *“10 Principles almost all Christians use to lead their lives”* many times. But how *different* of almost all Christians between before 2000 and today?

I told you The God actually wants to teach everyone “Self-reliant”. However, the truths are that these *are not only* My own problem, but these *also are* the problem of all good foreigners and all foreigners who can reform themselves. One who goes abroad needs visa. Now covid-19 makes much troubles, and I also lack money. So, I really need help.

The God told Me ***“I have opened Your mind since 2000 because You are The Only One Latest Prophet”*** and “เราอยากให้ทุกคนฟังแก่ก่อน” or can be translated in English ***“I actually want everyone to listen to and follow My Daughter”***. The God also told Me “One of the reasons why I will take You back to heaven after You will have finished Your first missions is that I sent You to be ***The Prophet***, but ***nobody*** listens to and helps You!”

Please think through: If you do not need help, if you spend your lives ***rightly***, why The God needs to send Me ***as The Prophet***? You all knew “The Prophet is the man or the woman who is directed by The God to make known and explain The God’s Wills and/or to lead or teach a (new) religion” So, ***if you are not as the thoughts of the Satans and all evil people, why do not you follow Me, My words, and My solution?***

.....

I told you not only you all have been as the thoughts of the Satans and all evil people but I also have been as the thoughts of the Satans and almost all Thai since the start.

How?

I told you I have been violently tormented to be a drug addict and suicide by Ad-han family and their drug-selling gang since I was 14 years old. I have known what almost all Thai and Thailand are since I graduated bachelor of law from Thammasat University in 1997. So, I had requested My angel to start my new life abroad before there was bachelor certificate ceremony. But The God did not let Me go abroad because “If I let You start Your new life in the US, pimp king Bhumibol, prostitute queen Sirikit, the satanic Chakri dynasty, the Thai government, and almost all Thai would blacken the US ***successfully!***”

Later on, not many months before The God opened My mind, they had tricked Me ***the first trick***. Their first trick was that order many Thai in “State Audit office” where was My office to pretend to reconcile with Me after some good Thai in the office had investigated until they knew the truths of Me, Ad-han family, and their drug-selling gang. “Kidakarn Saengwittayanukul”, nickname “o”, who studied bachelor of law in the same class of Me and works for the office, but has joined the devil’s dirty plan has known how her friends in the university are, but she pretended to treat Me well to fool Me “We already knew the truth. We all are Your friends!”

Then, ***their second trick*** was that pimp king Bhumibol, the satanic Chakri dynasty, and Ad-han family agreed with almost all Thai especially Thai drug addicts and Thai drug sellers to pretend to smile with Me and be friendly with Me when I was outside My home.

Pimp king Bhumibol, the satanic Chakri dynasty, Ad-han family, and almost all Thai ***also thought together*** “Kay must forget the truths that Her angel told Her, how the worst almost all Thai treat her, and what almost all Thai are, but Kay must believe that almost all Thai are good!”

They knew I am The Youngest Daughter of The God, My soul is a baby-girl’s soul, and I am the most optimistic girl. So, after The God had opened My mind for a while, Ratchaneewan Ad-han, the mother of Ad-han family, also tricked Me ***the third trick***. She ordered The God to send her voice to fool Me “ทุกคนเข้าใจเด็กหมดแล้ว” or can be translated in English “Everyone already understood You”.

So that, I was thought “Almost all Thai treated Me the worst because they didn’t know how my natures are”

A significant situation that showed “I also have been ***as the thoughts*** of the Satans and almost all Thai” is that at the beginning, The God told Me “Prakat Sataman is devilish”. At that time, I thought that that voice was My own thought, and ***just*** thought “I never think like that”. After that, I ***continued*** to “admire him as My father” for around 5 years. The God told Me later “My Daughter, at the time when You heard “Prakat Sataman is devilish”, You ***just*** thought “I never think like that” and ***didn’t continue to think anything anymore***. It was because You were ***as the thoughts*** of the Satans and almost all Thai. They ordered Me “อย่าปล่อยให้มันคิดต่อนะ” and “ห้ามมันคิดนะว่าเสียงมาจากไหน” or can be translated in English “***Don’t*** let Kay ***continue*** thinking!” and “***Don’t*** let Kay ***find answer*** where the voice comes from!” Because if they let You continue thinking, You will know where the voice comes from.”

Because at the beginning, I did not know who My soulmate is, so they can fool many good creative people “Kay doesn’t know anything. So, Kay needs “Her space” to do some navigating, and we must be patiently wait to see what Kay finds” (The lyrics of the song “I Won’t Give Up” sung by Jason Mraz) At that time, many good creative people ***could not quickly figure out (as the thoughts of the Satans and almost all Thai)*** “Kay has been severely tormented to be a drug addict and suicide since She was 14 years old. The God opened Her mind when She was 24 years old. It shows “Kay had been violently tormented by almost all Thai ***10 years before*** The God opened Her mind” why ***doesn’t*** Kay ***know*** almost all Thai and Thailand?” The God told Me “***At the beginning***, if I

had a chance to tell You what pimp king Bhumibol, prostitute queen Sirikit, the satanic Chakri dynasty, and almost all Thai are, You would *fast* believe Me *undoubtedly!*”

**** The God told Me many times “Because the Satans, the Thai government, and almost all Thai prepared to blacken Will, The British Monarchy, the UK, and the US in the end, so the Satans, the Thai government, and almost all Thai enticed all evil foreign people to also thought “Let Will read Kay’s first e-book, her documents, and her topics but *skim through* the book, the documents, and the topics, and *don’t think* anything!” “Will and his family *must believe* king Bhumibol and the Chakri dynasty!” “*Don’t* let Will and his family *believe* Kay!” “Will and his family *must believe* “Kay *was fooled*!” and “*Don’t* let Will and his family *figure out* what the truths are!”” ****

Have you ever noticed yourselves you have been *the same as* Me, many good creative people, Will, and Will’s family or not?

You knew I am *The Youngest Daughter of The God*. My soul is a *baby-girl’s soul*. Why do you strongly believe The God truly wants to send Me to be severely tormented? *Does a good father treat his little girl like these? And who is The God?* So, please think carefully who really want to order you “Don’t help Kay” and “Just wait and see”. Could you figure out “Don’t help Kay” and “Just wait and see” are *whose orders?*

Some Christians conclude “One will see the world as he is”, so I see everything clean because I am clean. The God created Me to be what I am to be *the Prophet and to set the best example of how humans should be*. So, I would like to question you again: *If you all are not as the thoughts of The Satans and all evil people, why do not you follow Me, The Daughter of The God and The Prophet?*

.....
