

***You will not be convicted of the crimes and the felonies***  
(I wrote these truths from 6 October 2022 to 7 October 2022, and posted them on My website on 7 October 2022.)

I have heard many different stories, but I cannot consult anyone even My parents, so, now, I am not sure that after a reliable royal flight which has only Prince William, Prince Harry, Me, My parents, and My dog will have taken off from Thailand, where the flight will land: London, or The Holy Home. As The God recently told Me “After King Charles, Will, and Harry will have known “We were fooled into waiting for The Judgement” and “Kay told us the right solution”, King Charles will be hunched by Me (The God) to plan his plan to show to the world “British people are **extremely different** from Thai people, **so The God chose England to be Kay’s motherland**””

I mean that the flight will highly tend to land at London. So, The God will have the time to prepare the UK to be a safer place for Me, My parents, Prince William, Prince Harry, and My dog 13 – 14 hours.

As a result, after The God tells you “You can reform yourself”, I would like to ask for your cooperation: Please **quit** participating in the devil’s dirty plan **forever** immediately.

Why you have to quit the devil’s dirty plan after The God tells you “You can reform yourself”?

The God told Me many times “Many foreigners including many British people **were controlled** to make a decision to join the devil’s dirty plan because they **have been controlled** to think “I can’t spend my life in Kay’s style definitely.” Whereas, if they can reform themselves, after Will and You will have been at The Holy Home, and they will have seen “purgatory” “hell” and “the eternal flame” in Your eyes, and will have felt “purgatory” “hell” and “the eternal flame” in their dreams, they will **so much scare** “purgatory” “hell” and “the eternal flame”, and will suddenly change their minds. They will think “Why can’t I spend My life in Kay’s style? ... I can!” Almost all foreign merchants and almost all foreign businessmen will be also. Their thoughts from “Kay will hit our businesses. We’ll lose our all money!” will become “Kay and The God will advise me how to continue running my business without sins and mortal sins. Why can’t I change? My money can’t save me from merciless states in purgatory, hell, and the eternal flame!””

So, after The God will have told you “You can reform yourself”, please **quit** participating in the devil’s dirty plan **forever** out of the blue.

Before you will make up your mind to quit the devil's dirty plan, you may worry about sentences of criminal law and civil law you will get. So, let Me explain;

If you can reform yourself and The God tells you "You can reform yourself", I have full of confidence that The God will also tell you "You **have been controlled** to work the devil's dirty plan" too.

Consequently, if The God tell you "You **can** reform yourself. You **have been controlled** to work the devil's dirty plan", you **will not** be convicted of the crimes and the felonies **both criminal law and civil law** with the Satans and all evil people.

Why?

In case of criminal law. The first thing that judges will consider before judge you is "Is an offender **"aware"** of committing the crimes and/or the felonies?" If you **have been controlled** to work the devil's dirty plan, it means that you have committed the crimes and/or the felonies **without awareness**. So, you **did not** consciously do, with the result that **it does not in the meaning of "an action" in criminal law**. Therefore, judges will not consider any components of any offences of criminal law anymore. And you will not be convicted of the crimes and the felonies.

In case of civil law. The first things that judges will consider before judge you are "Is an offender **"able to do an agreement"**?" And "Does the offender **"intend"** to do the agreement?". If you **have been controlled** to work the devil's dirty plan, it means that you have committed the crimes and/or the felonies **without awareness and your own intent (Awareness is a component of "ability")**. Therefore, you will not be convicted of the crimes and the felonies too.

However, the judges will order you to give all money and all properties which you got because you ordered The God to a real owner as **"money and properties that you should not get"**. ... I told you "After you will have seen "purgatory" "hell" and "the eternal flame" in My eyes, and will have felt "purgatory" "hell" and "the eternal flame" in your dreams, you will know "Ordering The God is a mortal sin, and the deed will bring people who did die in hell and the eternal flame" Then, you will so much scare and think "Why can't I change? Why can't I give all money and all properties which I got because I ordered The God to a real owner? **Money can't save me from merciless states in purgatory, hell, and the eternal flame!**"

I would like to underline the truths again: Initially, pimp king Bhumibol, the satanic Chakri dynasty, Ratchaneewan Ad-harn, Ad-harn family, and their gangs have worked together to order The God “If You don’t want Kay to be death, everything in the world must be *as our thoughts*” And “If You aren’t under our orders, we’ll kill Kay!” And to bring all foreigners to be brutally tormented in merciless states where are called “hell” and “the eternal flame” with them forever, pimp king Bhumibol, the satanic Chakri dynasty, all Thai people, and all evil foreign people not only have worked together to order The God to send their thoughts to fool colossal foreigners “You are a devil (or a sinner). You can’t reform yourself. So, you will be brought to die in hell and the eternal flame forever surely” but *they have also help one another to think* “Immense humans must decide to work the devil’s dirty plan with us together!” ...

... To help numerous foreigners to know what have happened to them, I have jockeyed the song “*F\*\*kin’ Perfect*” sung by P!nk more than 600 times. And have you ever listened to the songs “*Am I Forgiven*” sung by Rumer, and “*Need You Now*” sung by Lady Antebellum? ...

... And *to help you to understand yourself, I would like you to think through: I have heard that western people and Christians “love” The God and their own themselves. They also are clever (Therefore, before 2000, their countries were developed and civilized.) So, after The God opened My mind in 2000, you have known that The God, purgatory, hell, the eternal flame, and heaven are real, and I am “The Daughter” of your God too. So, if you have been your own yourselves, why have you worked the devil’s dirty plan? Why do not you love The God and yourselves, but made a decision to “kill” Me, The Daughter of your God, to be brutally tormented in merciless states forever? Do the clever people decide to do like these? Have you been under control of pimp king Bhumibol, the satanic Chakri dynasty, all Thai people, and all evil foreign people?*

I told you many times “*The God and I will be the best witness in every court*” ☺☺

Accordingly, after the flight will have flown out of the territory of Thailand, and The God will have told you “You can reform yourself. You have been controlled to work the devil’s dirty plan”, please quit collaborating the devil’s dirty plan *forever* at once.

Other truths that I would like you all to know to help you to make a decision are that although humans who are controlled to work the devil's dirty plan will not be convicted of the crimes and the felonies both criminal law and civil law, after The God will have told you "You can reform yourself. You have been controlled to work the devil's dirty plan.", ***the truth will be that you knew the truths of yourself***. So, if the flight lands at London, but you ***surrender to be under control*** to participate in the devil's dirty plan ***again***, you will be brought to be ***brutally tormented in merciless states*** with the Satans and all evil people ***forever*** certainly.

Before I am finishing asking for your cooperation, The God truly wants Me to throw light on the truths again: "Kay, underline the truths again. After the fight will have flown out of the territory of Thailand, all foreigners will be ***"out of control"***. I mean that ***they will understand their own themselves and will make up their mind by being their own themselves***. So, Kay, emphasize to them again. Because I (The God) have opened Your mind since 2000, so ***the clever people*** have known "The God, purgatory, hell, the eternal flame, and heaven are not fairy tales. They are ***real***." So, why will ***the clever people*** who can reform themselves decide to continue collaborating the devil's dirty plan to be ***brutally tormented in merciless states*** where are called "hell" and "the eternal flame" with pimp king Bhumibol, the satanic Chakri dynasty, all Thai people, and all evil foreign people ***forever***?" ...

... Did you understand meaning of the words ***"brutally tormented"*** ***"merciless states"*** and ***"forever"***?

😊😊 ***We and our world will be better together*** 😊😊
