WATER BATH

NEW+

Features:

- Easy-to-Read LED display
- Adjustable temperature range is up to 99°C
- Precise Temperature Control: accuracy of $\pm 0.5^{\circ}\text{C}$
- User-friendly Touch key on the front glass panel
- Dry-start protection feature for improved safety
- Over-temperature Cut-off & Alarm to protect samples from over heating
- Program Mode can store up to 3 programs
- Durable Stainless-steel chamber
- Transparent Lid

SPECIFICATIONS:

Model	WB001
Reservoir Capacity[L]	2
Heating temperature range [$^{\circ}\text{C}$]	room temp. $+5^{\circ}\text{C}$ - 99°C
Over Temperature Cut-off	Yes
Temp. control accuracy [$^{\circ}\text{C}$]	± 0.5
Temp. display accuracy [$^{\circ}\text{C}$]	± 0.1
Temperature display	LED
Time display	LED
Dry-start protection	Yes
Dimensions (W x H x D) [mm]	252 x 188 x 285
Working Area Depth [mm]	150
Bath opening Length [mm]	153
Bath opening Width [mm]	138
Weight [kg]	3
Voltage [V]	200-240/100-120
Frequency [Hz]	50/60
Power input [W]	200
