

# WAXY CORN

F1-Hybrid Waxy Corn

# WAXY CORN

## OSCAR

### Characteristics

Vigorous plant, good eating quality, large ear size and cylindrical shaped. White and purple kernels. Very well fresh produce uniformity, 25 percent sweet kernels in an ear, and good husk cover. Tolerant to heat and diseases.

**Large ear size:** 4.6x22 cm.

**Ear weight without husk:** 240–270 gm.

**Number of rows:** 12–14 rows

**Harvesting time:** 65–67days

## Waxy: White

CODE: WC-160

### Characteristics

Vigorous plant, dark green leaf, low ear setting, tipfill and strength rows with white kernel color. Able to grow all year round.

**Ear size:** 5.1x19 cm.

**Ear weight without husk:** 240-270 gm.

**Number of rows:** 14-16 rows

**Harvest time:** 65-67 days

CODE: WC-224

### Characteristics

Vigorous plant, dark green leaf, strong root, good husk cover, strength row, glossy kernel with white color. Able to grow all year round.

**Ear size:** 5x20 cm.

**Ear weight without husk:** 260-290 gm.

**Number of rows:** 16-18 rows

**Harvest time:** 67-69 days

CODE: WC-396

### Characteristics

Vigorous plant, dark green husk, good husk cover, glossy kernel with white color. Able to grow all year round.

**Ear size:** 4.4x19 cm.

**Ear weight without husk:** 180-210 gm.

**Number of rows:** 16-18 rows

**Harvest time:** 67-69 days

CODE: WC-397

### Characteristics

Vigorous plant, good husk cover, strength row, tipfill, large kernel size with white color. Able to grow all year round.

**Ear size:** 4.3x18 cm.

**Ear weight without husk:** 160-190 gm.

**Number of rows:** 12-14 rows

**Harvest time:** 67-69 days

# Waxy Sweet: White

CODE: WC-148

## Characteristics

Vigorous plant, low ear setting, strength rows, tipfill and large kernel size with white color. Able to grow all year round.

**Ear size:** 4.8x22 cm.

**Ear weight without husk:** 210-240 gm.

**Number of rows:** 12-14 rows

**Harvest time:** 64-66 days

CODE: WC-152

## Characteristics

Short plant, low ear setting, tipfill, strength rows, large kernel size with white color and glossy kernel. Able to grow all year round.

**Ear size:** 5.3x20 cm.

**Ear weight without husk:** 260-290 gm.

**Number of rows:** 14-16 rows

**Harvest time:** 65-67 days

CODE: WC-153

## Characteristics

Vigorous plant, dark green husk, good husk cover, tipfill, large kernel size with white color. Able to grow all year round.

**Ear size:** 5.2x19 cm.

**Ear weight without husk:** 255-285 gm.

**Number of rows:** 12-14 rows

**Harvest time:** 65-67 days

CODE: WC-154

## Characteristics

Vigorous plant, dark green leaf, low ear setting, large ear size, long ear shape, good husk cover, glossy kernel with white color. Able to grow all year round.

**Ear size:** 4.9x23 cm.

**Ear weight without husk:** 290-320 gm.

**Number of rows:** 12-14 rows

**Harvest time:** 65-67 days

CODE: WC-155

## Characteristics

Vigorous plant, strong root, cylindrical shape, strength rows and white kernel color. Able to grow all year round.

**Ear size:** 5.1x22.5 cm.

**Ear weight without husk:** 300-330 gm.

**Number of rows:** 14-16 rows

**Harvest time:** 65-67 days

**CODE: WC-156**

**Characteristics**

Vigorous plant, good husk cover, tip-fill, strength row, cylindrical shaped and white-pink kernel color. Able to grow all year round.

**Large ear size:** 4.9x21 cm.

**Weight:** 380-420 g.

**Number of rows:** 12-14 rows.

**Harvesting time:** 65-67 days

## Waxy Sweet: White-Pink

CODE: WC-131

### Characteristics

Vigorous plant, strong root, good husk cover, tipfill and white-purple kernel color. Able to grow all year round.

**Ear size:** 4.6x22 cm.

**Ear weight without husk:** 240-270 gm.

**Number of rows:** 12-14 rows

**Harvest time:** 65-67 days

CODE: WC-170

### Characteristics

Vigorous plant, dark green leaf, strong root, long ear shape, good husk cover, glossy kernel with white-pink color. Able to grow all year round.

**Ear size:** 4.7x22 cm.

**Ear weight without husk:** 270-300 gm.

**Number of rows:** 14-16 rows

**Harvest time:** 63-65 days

CODE: WC-205

### Characteristics

Vigorous plant, strong root, dark green husk, good husk cover, medium ear size, tipfill, strength rows, glossy kernel with white-pink color. Able to grow all year round.

**Ear size:** 4.5x20 cm.

**Ear weight without husk:** 210-240 gm.

**Number of rows:** 14-16 rows

**Harvest time:** 63-65 days

CODE: WC-207

### Characteristics

Vigorous plant, dark green leaf, dark green husk, medium ear size, strength rows, large kernel size, glossy kernel with white-pink color. Able to grow all year round.

**Ear size:** 4.8x20 cm.

**Ear weight without husk:** 230-260 gm.

**Number of rows:** 14-16 rows

**Harvest time:** 63-65 days

## Waxy Sweet: White-Pink

CODE: WC-210

### Characteristics

Vigorous plant, dark green leaf, dark green husk, long ear shape, tipfill, strength rows and white-pink kernel color. Able to grow all year round.

**Ear size:** 4.9x23 cm.

**Ear weight without husk:** 250-280 gm.

**Number of rows:** 14-16 rows

**Harvest time:** 64-66 days

CODE: WC-211

### Characteristics

Vigorous plant, dark green leaf, large ear size, strength rows, large kernel size with white-pink color. Able to grow all year round.

**Ear size:** 4.8x21 cm.

**Ear weight without husk:** 260-290 gm.

**Number of rows:** 14-16 rows

**Harvest time:** 64-66 days

CODE: WC-363

### Characteristics

Vigorous plant, dark green husk, good husk cover, long ear shaped, tipfill, strength rows, glossy kernel with white-pink color. Able to grow all year round.

**Ear size:** 4.6x22.5 cm.

**Ear weight without husk:** 270-300 gm.

**Number of rows:** 14-16 rows

**Harvest time:** 63-65 days

## Waxy Tian: Yellow

CODE: WC-225

### Characteristics

Vigorous plant, prolific, dark green husk, good husk cover and yellow kernel color. Able to grow all year round.

**Ear size:** 3.8x15 cm.

**Ear weight without husk:** 80-110 gm.

**Number of rows:** 14-18 rows

**Harvest time:** 62-64 days

CODE: WC-304

### Characteristics

Vigorous plant, prolific, dark green husk, good husk cover and yellow kernel color. Able to grow all year round.

**Ear size:** 3.4x16 cm.

**Ear weight without husk:** 80-110 gm.

**Number of rows:** 14-16 rows

**Harvest time:** 62-64 days

CODE: WC-305

### Characteristics

Vigorous plant, prolific, dark green husk, good husk cover, glossy kernel with yellow color. Able to grow all year round.

**Ear size:** 3.5x17 cm.

**Ear weight without husk:** 100-130 gm.

**Number of rows:** 12-16 rows

**Harvest time:** 62-64 days

**WC-312**

## Waxy Tian: Tri Color

**CODE:** WC-312

### **Characteristics**

Vigorous plant, prolific, dark green husk, good husk cover, tipfill, strength rows, glossy kernel with white-yellow and pink color. Able to grow all year round.

**Ear size:** 3.4x18 cm.

**Ear weight without husk:** 110-140 gm.

**Number of rows:** 12-14 rows

**Harvest time:** 60-62 days

**CODE:** WC-315

### **Characteristics**

Vigorous plant, prolific, dark green husk, good husk cover, tipfill, glossy kernel with white-yellow and pink color. Able to grow all year round.

**Ear size:** 3.9x17 cm.

**Ear weight without husk:** 130-160 gm.

**Number of rows:** 14-18 rows

**Harvest time:** 60-62 days
