Gradual colors, colorful, this place, enough to have a quiet mind. The ancient literati had a unique attitude, especially the inherent superiority and elegance.

Therefore, the objects related to the literati's thinking will be selected in the furnishings, and the changing colors and the wall cloth will be selected for artistic conception and refuse to be displayed. The pursuit of the Oriental spiritual realm, like a clear flow, flows through the whole space.

The abstract shape of abstract line wall fabric is mainly the emotionalization of colors and lines, which endows subjective personality with unique brilliance and charm, reflecting the pure spiritual world of designers and users.

Add the colour or gradient ramp to render, the whole wall fabric appears unrestrained, does not be in charge of thing. As if it moves and flies upwards in the extremely dangerous condition, gives the contemporary household a rare unrestrained and free.
