DocuPrint CM305 df
A4 Colour Multifunction Laser Printer
Affordable efficiency for
small to medium businesses

Efficient performers for any office

Convenient efficiency and productivity is easy with the new DocuPrint CM305 df multifunction printers, high-quality machines especially designed to meet the documentation needs of small to medium businesses. Affordably. Remarkably simple to use, the new DocuPrint CM305 df empowers any office with outstanding multifunction.

## Compact printers that deliver big results

Though compact, the DocuPrint CM305 df nonetheless produces high-quality print results with ease.
Natural Image Enhancement (NIE) corrects the contrast and colour balance of images such as digital photos before printing for ideal results.

3 Dimensional Accurate Colour Mapping intelligently ensures that your document is printed in optimum colours.

Direct Transfer Technology gives better registration to improve colour sharpness. A short paper path also provides better paper feed and handling.

Multifunction – do everything easily

Whether it is just printing to copying, scanning or faxing, the DocuPrint CM305 df is one simple-to-use printer that gives you the necessary performance to efficiently fulfil multiple, day-to-day business operational tasks.
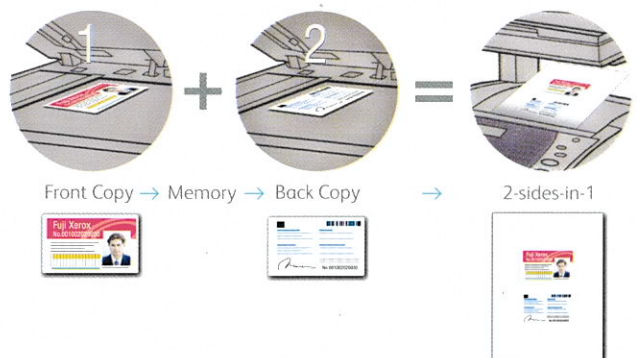

Copy with convenience

Whatever your copying needs may be, the DocuPrint CM305 df answers them. Easy enlargements or reductions from 25% to 400% are available at a touch of a button. There is also an automated ID Copy feature that lets you copy two sides of a small document onto the same side of an A4 page.

Scan with ease

High-quality scanning of up to 9,600 dpi is quick and fuss-free. Furthermore, added features make document flow much easier to manage. For example, you can scan an image directly to your USB storage device, an FTP server or a network folder; you could also email scans directly from the DocuPrint CM305 df.

Fax with confidence

On the DocuPrint CM305 df, a fax speed of 33.6kps as well as 200 speed dials means that it is always convenient and quick to send a fax message. For even more convenience, DirectFAX allows you to send a fax directly from your computer. Similarly, sending faxes to multiple recipients is simple with the group dial function.
