

KUKUTOYS

Whatever You Imagine

KUKUTOYS

KUKUTOYS established in 1987, have been producing and exporting the plastic toys and nursing goods the world over and have been improving the sales volume in not only national markets but also worldwide markets. All products of KUKUTOYS are satisfying the international safety requirements of CE (Conformite European) and ASTM (American Society for Testing Materials), and KEMTI (Korean Environment & Merchandise Testing Institute) and have satisfied children's emotion. We have got excellent reputation for swing, ride-on, slide, easel, bowling , ball tent , auto swing series , play yard series that we developed for children's balanced growth. We also have participated international toy fairs (U.S.A, JAPAN , GERMANY etc..) every year to look for potential new customers and for better promotional marketings. But we are not satisfied with this, we try to strengthen our purpose of global company by getting international patents and expanding our position as new techno-venture company through development of more comfortable and safer children's products. We promise to make an every effort for true management / consumer satisfaction management global management to jump to golbal company. We wish your consistent love and concern.
