- 1 The clock is adding the pleasure to the baby with the Clock-play.
- 2 The window can be moved left ↔ right and the baby can see the other pictures behind the window .
- 3 The baby can make the Mirror-play by putting the mirror on the play panel.
- 4 There are three(3) serrated wheels on the play panel and these are can be spinned by the fingers of the baby. The stickers of serrated wheels are included in the product. These stickers can add more pleasure to the baby.
- 5 The rugged and soft spinning -play can improve the baby's touch-feeling ability.
