Mr. Sarit Patanatmarueng, Director and Managing Director, reported information on the automotive industry as follows:

Summary of important economic events throughout the year 2020

January At end of 2019, Thailand was in recession along with many incidents such as the end of General Motors eras in Thailand, the trade war between USA and China that continued till early 2020, etc. There followed by the conflict between USA and Iran which had started the war.

February	The coronavirus outbreak originated in China and spread all over the world. Its effect became huge and global.
March – May	From the spread of COVID-19 that knockout the global economy, Thai stock market condition was extremely volatile since then. The Stock Exchange of Thailand has temporarily suspended the trading or the so-called the circuit breaker on March 12-13. Such was remarked as the 1 st time in 10 years time. The lockdown policy has been launched in many countries around the world. For Thailand, the official lockdown began in April. The automobile companies in many countries also announce the suspension of production. Total production of vehicles decreased in same way as the business internationally. The car production in April was at its lowest in 30 years.
June	Nissan announced the production shut down in Indonesia and relocated to Thailand.
July – October	“Lift the lockdown” of many countries began in July. As a result, the automobile production has recovered in August and gradually improved since then.
November	The automobile production as a whole in November was higher than of 2019. The join signing of the Regional Comprehensive Economic Partnership (RCEP) has introduced and allowed a good signal of economic recovery. In addition, the election for the 46th US President could be the indication of a major shift that will help revive the economy of both the USA and around the world.
December	The World Health Organization (WHO) has committed to distribute the coronavirus vaccine worldwide. For Thailand, it is expected that vaccine will apply during February - March 2021.

Global economic growth in 2020 – 2021

According to World Bank, the economy is assessed by GDP of major countries worldwide:

GDP	2020 (Estimated)	2020 (Actual)	2021 (Estimated)
World	-4.4%	-4.3%	4.0%
Thailand	-7.1%	-6.5%	4.0%
China	1.9%	2.0%	7.9%
India	-10.3%	-9.6%	5.4%
Japan	-5.3%	-5.3%	2.5%
Russia	-4.1%	-4.0%	2.6%
Euro area	-7.2%	-2.9%	3.3%
Middle East and Central Asia	-4.1%	-5.0%	2.1%

Latin America and the Caribbean	-8.1%	-6.9%	3.7%

TSC new product

The company earns new opportunities whilst maintains the trust from customers in manufacture both cable and non-cable products. Whether the economic slowdown or pandemic situation, the company still continuously develops itself and creates new products.

Great Wall Motors started production in Thailand

Great Wall Motors, one of major automobile manufacturer from China, has start production and distribution in Thailand. This reflects that Thailand is still the interesting target of automotive industry.

Alliance of Isuzu and Mazda

Isuzu and Mazda cooperated to produce the BT-50 pickup truck which due to launch in 2021.

Thailand to be the regional EV hub

Thai government has aimed that Thailand could be the regional EV hub, after the BOI has launched a new round of promoting investment in electric vehicles. Besides the production of electric vehicles, it also covers motorcycles, tricycles, buses, trucks, and boats.

Nissan stopped Indonesia operation moved to Thailand

Nissan stopped the operation in Indonesia and some countries in order to move to Thailand then export to ASEAN. This proves that Thailand remains the automotive manufacturing hub of ASEAN.

The Regional Comprehensive Economic Partnership (RCEP)

RCEP is a joint agreement among 10 ASEAN countries included China, Japan, South Korea, Australia and New Zealand. This formation covers a combined population of 2.3 billion people, the combined GDP is approximately 30% of the world GDP and the total trade is 28% of the world trade. This will benefit the business of Thailand in production and export especially the automotive industry.

TSC future model

TSC has a number of future models up to 2021. For those schedule between 2021 - 2025 are in the negotiation process with customers.

Then, shareholders were given time to ask questions as well as share their opinions and recommendations as follows:

1. Mr. Anuphap Buaruk, the proxy of Mr. Thammasak Homnual, asked that what is the direction of doing business in 2021 in idea of the Managing Director?

Mr. Sarit Patanatmarueng, Director and Managing Director, replied that in 2021 the automotive business will recover, especially after the arrival of vaccine. The company has prepared and developed continuously to get along with the coming trend.

2. Mrs. Thanyarat Kaewpitak, the shareholder, asked that what the performance would be in 2021?

Mr. Sarit Patanatmarueng, Director and Managing Director, explained that it is expected that there will be more sales growth. The key factor will depend on the total production of automobiles. If Thailand can produce 2 million vehicles, the company's sales will likely to reach 3,000 million Baht.

3. Mr. Sarayuth Jadprathum, the proxy of Mr. Songsak Nikornmalakul, asked that both cars and motorcycles tend to move to EV system in near future, which will require a lot of changes in production. Seeing clearly that the impact will occur to TSC, what is next plan from the management?

Mr. Sarit Patanatmarueng, Director and Managing Director, explained that the switch to the electric type is benefit in term of helping the environment and increase capacity of the car. The key factor will depend on the infrastructure such as the electric charging station. Therefore, to use entirely rely on the electric car may not possible at this moment. The company still regards that the control cables are necessary

4. Mrs. Mutta Saidarasamut, the shareholder, asked that if the company seeks for other business rather than the automobile to increase the business opportunity?

Mr. Sarit Patanatmarueng, Director and Managing Director, replied that the company still focuses on the automotive business. However, the company, at the same time, has entered in other area for example ships or construction, despite at the small amount.
