

Review of 2020

- Revenue from sales in 2020 was 2,023.89 million baht, a decrease of 1,022.08 million baht or 33.56%, due to decreased orders from customers and effect from the global economic recession and the spread of the Coronavirus (Covid-19).

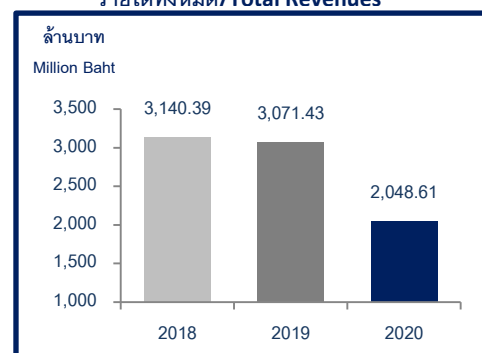

Overview

- Total comprehensive income of 2020 was 85.05 baht million, a decrease of 134.91 million baht or 61.33% from the previous year. It is apparently result from lowered in sales, whilst some fixed costs could not be lowered.
- The Federation of Thai Industries reported the performance of 9 months past, the car production had dropped 39% (YoY). The figure comprised of production for export at 54% and for local consumption at 46%. In aspect of motorcycle, there were production for export at 21% and local at 79%. Both were decreased when compared to same period of last year.
- Expected that the spread of Coronavirus (Covid-19) will be less, and Thai industrial will growth up then the purchasing appetite should recover. The Company shall closely monitor and adjust its strategy to cope with changing situations.
