For Year 2016

(October 1, 2015 - September 30, 2016)

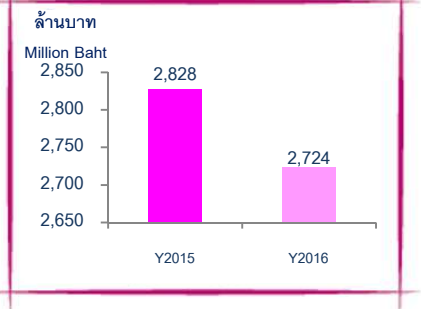

Review of Year 2016

- In 2016, the Company has the revenue from sales at 2,724.17 million Baht. It was 103.95 million Baht lowered or 3.68% dropped from the same period of last year. Such contributed by the unstable of world economy and the slow-moving Thai market.

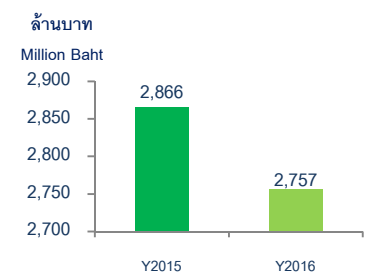

Overview

- The Net Profit of 2016 was 131.51 million Baht. It was 8.96% or 144.44 million Baht less than the last year as the sales revenue was lowered. Also, there was another 5.69 million Baht loss from the change of estimation of employee benefit according to the actuarial valuation standard under TAS19.
- The overall Thai economy had already hit the bottom and gradually moving up in the last quarter of 2016 and to be continued in 2017. This was contributed mainly by the Thai government spending which will have a significant positive impact on Thai Automotive Industry as the domestic demand is expected to grow up.
