

Review of 2021

- Revenue from sales in 2021 was 2,594.89 million Baht, an increase of 571.01 million Baht or 28.21%, such was result from the recovery of global economic after the first wave of pandemic outbreaks.

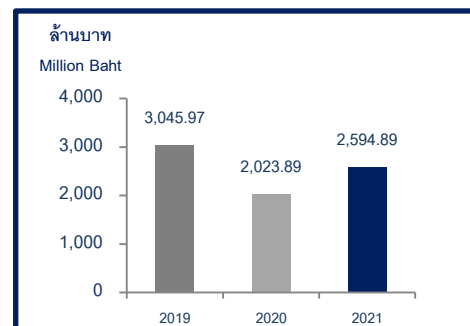

Overview

- Total comprehensive income of 2021 was 242.08 million Baht, an increase of 157.03 million Baht or 184.64% from the previous year. It is apparently result from the cost of goods sold decreased and the sales increase followed automotive production.
- Federation of Thai Industries reported the performance of past 9 months, the export car production had increased 39% (YoY) and 39.38% for motorcycle.

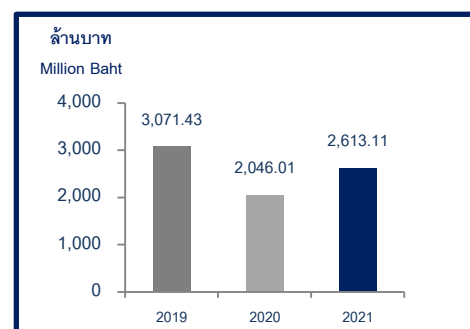

It is expected that Thai industry will recover. The Covid-19 situation shall resolve as 50% of the population has properly received the vaccines followed by lower numbers of new infected and decreased. In addition, the shortage of semiconductors should be lessened since the production resumes.

The company shall closely monitor and adjust its strategy to cope with changing situations.
