PROFILE

Year 1982 Thai Polymer Supply Co.,Ltd was established as the Engineering Plastics importer located at 406 Sukhumvit55 (Soi Thonglor) Sukhumvit Rd., Klongton Nue, Wattana, Bangkok 10110 with the capital 49 million baht.

At the present time, we are the leader of engineering plastics importer in Thailand with the capital 200 million baht, 16 buildings (site area 5,300 s.q.m. and production area 2,600s.q.m.) by the support from our 725 staff. The sales turnover for year 2013 was 1,500 million Baht , and 2014 was 1,600 million Baht.

In addition to Thai Polymer Supply Co.,Ltd. there are 8 other companies in the group. Two of wich are joint ventures with overseas companies, James Walker (Thailand) Co.,Ltd. who's partner is James Walker Moorflex U.K. this company has BOI privileges and Thakotech Co.,Ltd. a joint venture with Korean partners. Asia Fluoropolymer Co.,Ltd. a group company also has BOI privileges and produces P.T.F.E.

We are committed to meet the need of our customers and to continually strive to offer them better solutions of the engineering plastics problems and to give them technical support for the wide range of products that our sub-companies provide. We have 12 branches through out Thailand to better serve the need to our customers. To this end we have also divided our company into six marketing division to be more specific with our product range as follows:-

- Engineering Plastics
- Air Supply
- Insulating
- Fluid Systems
- Printer
- Conveyors and Component
- Other

Our product range is sourced from Asia, Europe, North America and South Africa, based on quality and the customer requirements. Most of the supplied products are the brand leaders in their fields. We have extensive warehouse facilities enabling us to carry the stocks to meet our customer's need. We have in house machining facilities and test R&D department. We work as a team providing the best solutions for our customers with quality products and services to meet the customer need. We are continually upgrading the knowledge of our sales team with the latest information and technology. The inspiring vision behind Thai Polymer Supply's success still remains unchanged and will always be.
