## 20v Cordless Blower

# 8611

- Efficient 20V motor provides a significant amount of air force for both blowing and vacuuming functions
- different speed settings enable working with different blowing air rate in order to adapt to different kinds of applications
- Light weight design, handy housing enables convenient use
- 2 tools in one, quickly convert to a vacuum cleaner for added versatility
- Vortex design of fan blades will impressively increase the air force
- Strong design suitable for applications in the workshop and on the construction site
- Ergonomic design provides convenient handling during operation
- Heat dissipation system ensures faster cooling and longer lifetime

|---|---|
| Model | 8611 |
| Voltage | 20 V DC |
| Battery Type | Li-ion |
| Battery Capacity | 4 Ah |
| No-Load Speed | 0-18000 RPM |
| Maximum Air Flow | 0-2.8 $m^3$/min |
| charging time | 60 Min |
| Weight | 1.87 kg |
| Packaging | Color box |
| Accessories | Blow tube , Dust collection bag , 1 × 4.0Ah battery pack , 1 × 4A charger |
