Industrial Fan

20V cordless fan

8626

- 20V Lithium-ion battery delivers high power and extended runtime
- 3-Speed control for versatile use across various tasks
- High-performance motor achieves 3.567 m/s air speed
- Adjustable angle enables directional airflow for improved comfort and usability
- Built-in output port allows charging mobile devices and small electronics using the tool battery
- Battery-powered design allows flexible use without reliance on external power sources

Model	8626
Battery Chemistry	Lithium-ion
Battery Voltage	20 V
Battery Capacity	2 Ah
Speed (Low)	1000 RPM
Speed (Mid)	1600 RPM
Speed (High)	2000 RPM
Air Speed	3.567 m/s
Noise Level (Mid speed)	60.7 db
Noise Level (High speed)	65 db
Max. Airflow Volume	14 m^3/min
Fan Blade Diameter	245 mm
Adjustable Angle	360 °
Mounting Type	Desktop/Stand Type
Output Port Type	Type-C
Output Voltage (Type-C)	5 V
Output Current (Type-C)	2 A
Max Output Power	10 W
Main Housing Material	ABS
