

Aura Automation Co., Ltd

Leading Automation Technology Company

Who We Are

Company Name: **Aura Automation Co., Ltd.**

Foundation : **2012**

Office Location:

344/26 Moo 2, Surasak, Sriracha, Chonburi

Thailand 20110

Tel. No: (66) 86 407 3937

Email: sales@aura-automation.com

<https://www.aura-automation.co.th>

Overall Annual Sales Revenue : \$ 1,000,000

Aura Automation Co. Ltd

The Industrial Service & Solution

Our Service

Engineering Service

- Automation System Integrator
- Panel-builder PLC / POWER CABINET
- Solar System / Energy saving solutions

Conveying System

- Conveyors system
- Sorter/Storage system

Product Authorized

- Automation / Electrical Equipment
- Cable accessories

Engineering Services

Our Competencies / Capabilities

PLC & HMI (PANELVIEW)

- Allen-Bradley
- Siemens
- Mitsubishi

INVERTER / MOTOR CONTROL

- ☐ PID Control system
- ☐ Blower
- ☐ Pump
- ☐ Screw Feeder
- ☐ Weighing

SOLAR / ENGINEERING SAVING SOLUTIONS

- ❖ Solar System
- ❖ Power Booster System

SCADA / PLANT MONITORING SYSTEM

- ❖ Web base design
- ❖ Localize design
- ❖ Data logger & Reporter
- ❖ Trending / Historical System

CABINET BUILDER

- ❖ Control Cabinet (PLC, Control system)
- ❖ Power Cabinet (MDB / LP)

Conveyor System

Our Competencies / Capabilities

LITE LOAD CONVEYORS

- Belt Conveyor
- Roller Conveyor
- Sorter Conveyor
- QC Conveyor

HEAVY LOAD CONVEYOR

- ❑ Rubber Conveyor
- ❑ Lifting Conveyor
- ❑ Incline / Decline Conveyor
- ❑ Portable Conveyor

AUTOMATIC SORTER SYSTEM

- ❖ PI2L / Barcode / RFID / Data Tracking

STORAGE SYSTEM

- ❖ Magazine / Palletizer

Product & Service

Electrical Equipment & Accessories

- PLC / INVERTERS / MOTORS
- SENSOR / SWITCHES / LAMP / LED
- CABLE & ACCESSORIES
- CABINET

We are official authorize distributer for

- KASUGA Electric works
- ELECTON

Aura Automation Co. Ltd

The Industrial Service & Solution

Experience

Engineering Projects

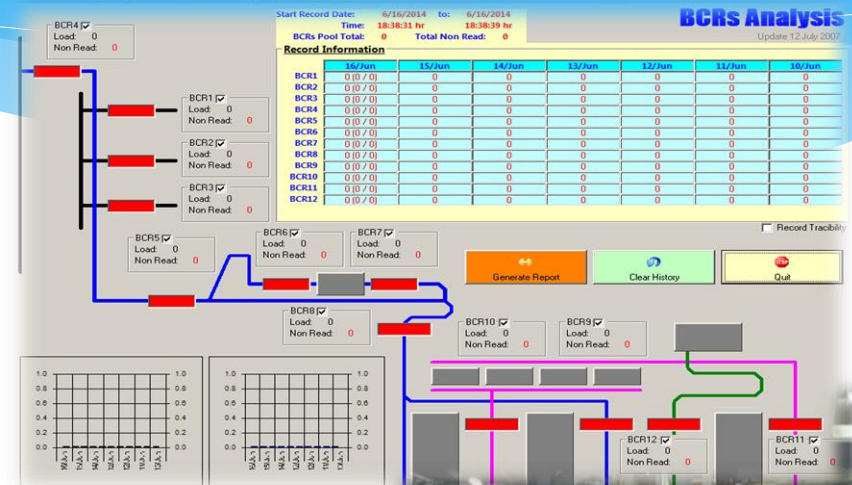

Project Name: Storage & Conveyor System

Project Partner: MAE Engineering Co., Ltd

Scope Of Supply: Turnkey Automation System

Engineering's scope

- Study/Design, Create new EE drawing.
- PLC Programming
- HMI Programming
- Develop software for Exchange database with client
- User manual and Training documentation
- Training & Commissioning
- Cabinet wiring, IO testing
- On-site installation
- Follow up

Aura Automation Co. Ltd

The Industrial Service & Solution

Experience

Engineering Projects

Project Name: BIOGAS CONTROL SYSTEM

Project Partner: Premier Energy Co., Ltd.

Scope Of Supply: Turnkey Automation System

Engineering's scope

- Study/Design, Create new EE drawing.
- PLC Programming
- Plant Monitoring
- User manual and Training documentation
- Training & Commissioning
- Cabinet wiring, IO testing
- On-site installation
- Follow up

Aura Automation Co. Ltd

The Industrial Service & Solution

Experience

Engineering Projects

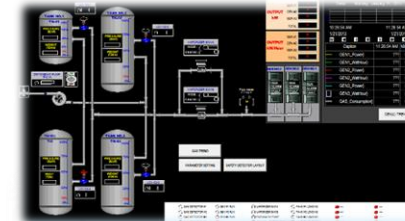

Project Name: 5Mw Electrical Plant Control system

Project Partner: LNG Plus Co., Ltd.

Scope Of Supply: Turnkey Automation System

Engineering's scope

- Study/Design, Create new EE drawing.
- PLC Programming
- Plant Monitoring
- User manual and Training documentation
- Training & Commissioning
- Cabinet wiring, IO testing
- On-site installation
- Follow up

Aura Automation Co. Ltd

The Industrial Service & Solution

Experience

Engineering Projects

Project Name: Automatic Sorter Control system

Project Partner: MAE Engineering Co., Ltd.

Scope Of Supply: Turnkey Automation System

Engineering's scope

- Study/Design, Create new EE drawing.
- PLC Programming
- HMI Programming
- User manual and Training documentation
- Training & Commissioning
- Cabinet wiring, IO testing
- On-site installation
- Follow up

Aura Automation Co. Ltd

The Industrial Service & Solution

Experience

Engineering Projects

Project Name: Silos weighing Control system

Project Partner: -

Scope Of Supply: Turnkey Automation System

Engineering's scope

- Study/Design, Create new EE drawing.
- PLC Programming
- HMI Programming
- User manual and Training documentation
- Training & Commissioning
- Cabinet wiring, IO testing
- On-site installation
- Follow up

Aura Automation Co. Ltd

The Industrial Service & Solution

Experience

Engineering Projects

Project Name: *Cement powder*

Project Partner: *Symate Solution Co., Ltd*

Scope Of Supply: *Turnkey Automation System*

Engineering's scope

- Study/Design, Create new EE drawing.
- PLC Programming
- HMI Programming
- User manual and Training documentation
- Training & Commissioning
- Cabinet wiring, IO testing
- On-site installation
- Follow up

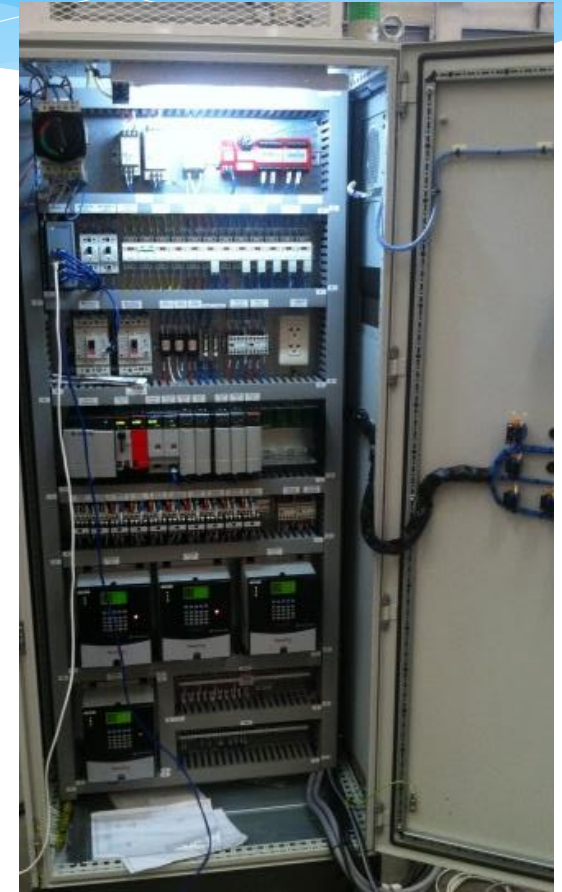

Aura Automation Co. Ltd

The Industrial Service & Solution

Project Reference

General – Un-Loader Machine (TMC)

Aura Automation Co. Ltd

The Industrial Service & Solution

Project Reference

General – PLC Programming (ALLEN BRADLEY) and Panel fabrication (PREMIER ENERGY)

Aura Automation Co. Ltd

The Industrial Service & Solution

Project Reference

LNG Plus (Nov, 2012) - GAS Distribution Station for 1 MW PP (Explosion proved process), DAWEI Deep Sea Port
