Activist Justyna Wydrzyńska felt compelled to help a woman in an abusive relationship access a safe abortion. But it is a crime in Poland to help a woman access an abortion outside the two remaining legal grounds, in the case of pregnancy resulting from an illegal act such as rape or incest, or danger to a woman's health or life. Now Justyna has been convicted, setting a dangerous precedent and making access to safe abortion even harder for those who seek one.

Demand the prosecutor general takes all necessary measures to ensure that Justyna's unjust conviction is overturned.
