Minimalist Windows and Doors System

MINIMALIST DOORS

Meticulously crafted with attention to detail.
Four primary reasons to select us.

NO.1

It features a design characterized by flat, full-pane glass.
Minimalist design (the most fundamental form).

NO.2

Yinghui's Porcelain Electrophoresis coating process provides exceptional weather resistance.
It is exceptionally scratch-resistant and features a finely textured surface.

NO.3

Ultra-slim frame width, measuring a mere 28 mm.
The thickness of the material for both the door frame and the door leaf is 2.0 mm.
Robust and resilient

NO.4

T-shaped door configuration
It enhances the stability and security of the door.

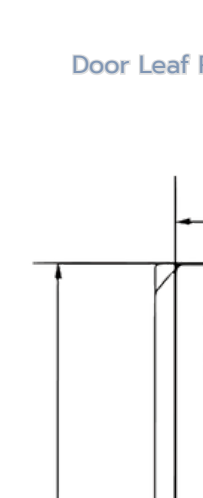

A wide array of colors is available for selection.

Stunning hues, tailored to your personal style.

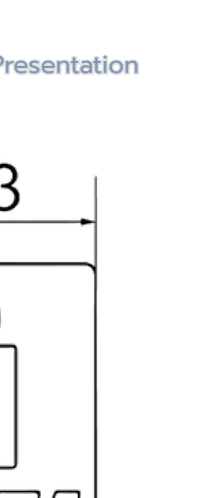

A DIVERSE ARRAY OF COLORS AVAILABLE
