

Sereno TBS869/528

TBS528 2xTL5-28W HFA M2 IPP

2 pcs - TL5 - 28 W - HF Standard for TL5 - Matt mirror ribbed lamellae louver - Perforated

The new Philips range Sereno recessed luminaires are more energy efficient than ever before. The latest optical technology was used to create a highly effective optic, giving rise to new opportunities for saving energy. This family of advanced TL5 recessed luminaire with micro optic technology use up to 25% less energy than standard TL5 solutions. Even greater savings can be made by retrofitting TLD lighting installations with our new TL5 recessed luminaires. The quality of the lighting is maintained, thanks to the Omni directional Lighting Control optic which increases luminous efficacy while reducing glare in all directions and complying with relevant brightness limits. As a result, our luminaires enable sustainable and green lighting solutions to be created. Because daylight-linking and presence-detecting lighting control systems can be optionally packaged into your recessed luminaire lighting solution, your energy consumption can easily be halved in comparison to conventional office lighting solutions.

Product data

General Information		Infill plate	
Number of light sources	2 [2 pcs]	Infill plate	IPP [Perforated]
Lamp family code	TL5 [TL5]	Mechanical and Housing	
Lamp power	28 W	Housing configuration	No [-]
Lamp colour code	-	Approval and Application	
Kombipack	-	Ingress protection code	IP20 [Finger-protected]
Gear	HFA [HF Standard for TL5]	Product Data	
Optic type	M2 [Matt mirror ribbed lamellae louver]	Full product code	910403393801
Electrical circuit protection	-		
Cable	-		

Sereno TBS869/528

Order product name	TBS528 2xTL5-28W HFA M2 IPP
Order code	910403393801
Numerator – quantity per pack	1
Numerator – packs per outer box	2
Material no. (12NC)	910403393801

Net weight (piece)	3.150 kg
