

Ultherapy® Staggered Treatment Plan

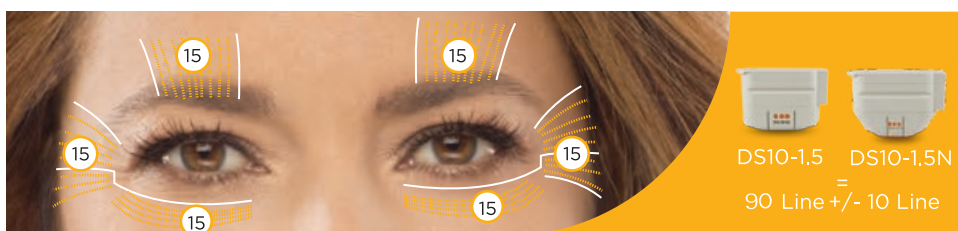

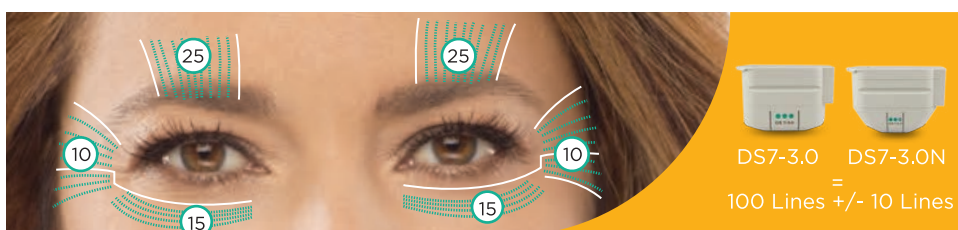

Visible confidence is just a lift away

Start any way you want. Get a full Face, Neck & Décolletage Ultherapy® treatment in a single session, or break it up to suit your time and budget. Then, choose a dual-depth treatment or enhance with a third depth whenever you want.

1 FRESH EYES

TOTAL LINES
= 100 +/- 20 LINES

- In patients with a thinner dermis, the frontalis bone may be more superficial than 4.5mm. In this case, you may forgo treatment with DS7-4.5 and add this to the number of lines delivered with the DS7-3.0

Standard Treatment 3.0 Depth 100 lines	
Enhance Your Treatment Add 1.5mm Depth 90 lines	
Total Price	

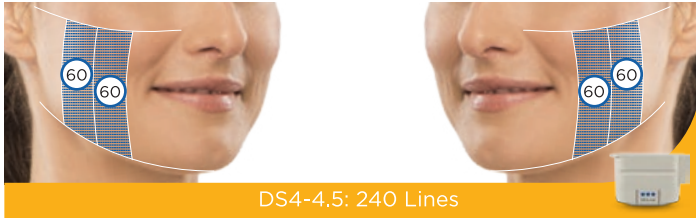

2 CONTOURED JAWLINE

TWO PHASES
IN TOTAL
430 lines

- Treating the submalar (lower cheek) and submentum has been shown to improve jawline definition and reduce submentum laxity¹

Standard Treatment 3.0 + 4.5mm Depth 430 lines	
Enhance Your Treatment Add 1.5mm Depth (enhance) 190 lines	
Total Price
