INOXPRO® CUTLERY

Not just another knife...

«««« INOXPRO »»»»

a SMARTER knife

Unique serial number on every knife enables tracking

QR-Scannable and human readable serial numbers

Integrated angle indicator on hard-handled knives assists in hand steeling

Sizes and flexes are clearly marked on every blade

a MORE COMFORTABLE knife

Ergonomic handle

Flat pommel allows for inverse use

Raised logo on both sides of the handle provides improved grip

a LONGER LASTING knife

A unique and specially alloyed stainless steel

Exceptional heat resistance during sharpening operations

Enhanced corrosion resistance in day-to-day use

Improved edge retention improves service life

a BETTER knife.

INOX PRO® knives are crafted in Sweden.

Curved Boning Knives

INOX PRO®
CUTLERY

Serial numbers, QR codes, sizes and flexes are clearly marked on the blade.

Unique serial numbers on every blade in both human readable text and QR scannable formats.

Integrated angle indicator on hard MH handles.

Flat pommel and raised logo on both sides of the MH handle provide outstanding hand control.

MRS handles offer color coded inserts for easy identification.

YOUR FROSTS® KNIFE BECOMES A NATURAL PART OF YOUR PROFESSION AND YOUR WORKDAY.

Knives For Professional Users Since 1891

Our factory is located in Mora, Sweden – just as it was a century ago. This is where we manufacture all our knives using a combination of craftsmen skills and modern technology. Design, materials and ISO 14001 certified green methods are all constantly refined by staff who have inherited generations of professional knowledge. This can be seen in our long tradition of making top quality knives for the food industry.

We have a complete range of food industry knives for professionals, which we manufacture under the brand Frosts®.

The consistent, high quality of Mora knives enables users to receive a great deal of benefit and joy from them over a long period of time.

Hygiene and Long Life

Our food industry knives are made according to the legislation and regulations on safe and hygienic handling of foods. The knives are manufactured with a seamless connection for the blade and handle core. High friction handle surface resists wear and is easy to clean and maintain.

Made in Mora Sweden

By appointment to H.M. the King of Sweden

FROST FLEX INDEX

Carefully selected steel enables our knives to be sharpened to an extreme edge and sharpness that lasts.

ERGONOMIC HANDLES

The handles are ergonomically designed allowing work to be done with force, precision and in a controlled manner. This reduces the risk for work and repetitive strain injuries.

GRIP: POLYAMIDE HANDLE WITH MICROBLASTED STRUCTURE FOR OPTIMUM FRICTION			ERGONOMIC-GRIP: DOUBLE-MOULDED ELASTOMER RUBBER HANDLE			
G	G1	G2WG	E	E1	ER	ERS
Standard handle.	Handle with finger grips.	Handle with a large finger guard and grips.	Handle with an etched structure. Suitable for wet conditions.	Handle with an etched structure and finger grips. Suitable for wet conditions.	Handle with a ribbed pattern. Standard size.	Handle with a ribbed pattern. Small size.
Blades made of Swedish stainless knife steel. Hardness: 58 HRC. Easy to sharpen. Recommended for pork and lamb processing.			Blades made of Swedish stainless knife steel. Hardness: 58 HRC. Easy to sharpen. Recommended for beef processing.			

Straight Boning Knives

- High-carbon, no-stain steel to give the best possible service and life.
- Blade memory allows knife blade to return to its original position when it bends or twists during the cutting process.
- Ingrained pattern in the handle improves friction when knife is wet or greasy.
- Boning knives are designed for both diagonal and dagger positions – eliminating the need to shift the grip on the knife.

DEXTER® SANI-SAFE® HANDLE KNIVES

PRICES ARE SUBJECT TO CHANGE • MINIMUMS MAY APPLY • VISIT OUR WEBSITE FOR CURRENT PRICING.

Dexter® Prodex Knives

- Durable handles offer a unique texture and pronounced finger guard for a safe, anti-slip grip.
- Handle shape, materials and reverse hook finger guard virtually eliminate injuries due to slippages while remaining comfortable in all gripping positions.
- Anti-slip material eliminates fat barrier between hand and handle, thus reducing gripping pressure and fatigue.

Granton® Edge

Patented ground scallops are the secret to the Granton® advantage.

Granton® Edge knives use an innovative fluted edge that creates air cushions which allow for very smooth, fast cutting.

Granton® blades are made from fully hardened and tempered Sheffield stainless steel.

Granton® Handles are double-tapered and ergonomically angled. For added comfort, the thumb platform is contoured and the blade back is rounded.

Developed by Granton® over 50 years ago, the Granton® Edge is a superb razor sharp cutting edge that can be re-sharpened on a steel in the usual way.

Remove screw and the double-bladed knife becomes two separate knives.

Sharpen with steel of choice or optional table-mount sharpener.

Optional sharpener.

Double-Bladed Knife

Ideal knife for cutting along poultry keel bones.

- Simply remove the screw and the double-bladed knife becomes two separate knives with handles — allowing for easy sharpening.
- Optional dual edge sharpener allows both blade edges to be sharpened simultaneously.

NOTE: Steel and table-mount sharpener both sold separately.

IM83 Portable Oilstone Sharpening System

All-in-one sharpening system is a convenient way to sharpen knives anywhere.

- Base unit contains a built-in reservoir and keeps the stones clean and ready to use.
- A simple rotation of the handle brings the desired stone into position for sharpening.
- Removable storage caddy for knives and tools.

Set includes:

Plastic Case w/ Removable Tool Caddy	Coarse-grit Crystolon®
4.5-ounce Can of Oil	Medium-grit Crystolon®
	Fine-grit India Stone

NORTON

Stones are changed individually and locked into place.

Rotating handle with built-in reservoir.

Removable Tool Caddy: Roomy storage for tools for maximum portability.

Rugged Design: Durable plastic case, sturdy metal latches and non-skid feet.

Gasket on inside of lid keeps oil from leaking while transporting.

Fiskars® Scissors Sharpener

Restores scissors blades to the perfect cutting edge.

- Automatically adjusts to sharpen different blade grinds safely.
- Two slots ensure proper positioning for optimal blade sharpening.
- Light-weight, compact design provides easy storage and transportation.
- Finger indentations offer a comfortable, secure grip when you are sharpening.
- Sharpens left-handed scissors as well
- Not for use with pinking shears or scissors with serrated blades.

ITEM NO.	PRODUCT	EACH
2182 00021	Scissors Sharpener	\$14.95

Table-Mount Sharpener

Sharpens both edges of blade.

- Dual edge sharpener allows both blade edges to be sharpened simultaneously.

NOTE: Mounting hardware NOT INCLUDED.

ITEM NO.	PRODUCT	EACH
3523 24001	Table-Mount Sharpener	\$79.95

3-Way Knife Sharpener

Features three, 12-inch ceramic rods, each with a different coarseness, to improve the blade's edge. The 3-way flips over to give you the appropriate coarseness for the job.

- For a dull or worn edge, use the brown rod and final hone with the white rod.
- For partially dull edge, use the gray rod and final hone with the white rod.
- To keep a sharp knife sharp, use only the white rod.
- No oil or water necessary when sharpening.
- Ceramic rods improve with use.

Use sharpener standing upright or laying flat on a solid surface.

ITEM NO.	PRODUCT	EACH
5816 0276	Russell 3-Way Sharpener	\$93.45

Lizard Mini-Cut Utility Knife

Each knife is permanently printed with a seven digit serial number. This is ideal for food processing, quality control and where traceability of tools is required.

- Minimal cutting depth.
- Sanitizer and dishwasher safe.
- Shatter and chip-resistant blade made from high-strength stainless steel.
- Knife is disposable and designed to be discarded when the blade dulls. No more broken or loose razor blades! Never touch, buy or replace blades again!
- High-impact body with high visibility color.
- Ergonomically designed for maximum comfort.
- Made using FDA compliant, food safe colors.

▶ SOLD PER BOX OF 6 KNIVES.

ITEM NO.	PRODUCT	BOX
1156 00025	Lizard Mini-Cut Utility Knife	\$16.35

Lizard Safety Knife

Eliminates all loose and broken razor blades — and the injuries associated with them.

- Constructed of high-impact, shatter-resistant plastic and specially formulated surgical stainless steel resists corroding.
- Can be used with either hand.
- Will bend, not shatter under normal use.

Safety blade guard automatically retracts after use.

▶ SOLD PER BOX OF 6 KNIVES.
