

Technical Performance

1. Applicable Standard IEC60099-4
2. Rated Voltage (Ur) 24kV
3. Max. continuous Operating Voltage (Uc) 20kV
4. Nominal discharge current 10kA
5. Creepage Distance 700mm
6. Max. residual Voltage At Lightning current impulse 8/20μs 72kV
7. Housing Power Frequency voltage in wet conditions 60kV
8. Housing Lighting Impulse Withstand Voltage 135kV

				Metal-Oxide Surge Arrester Without Gap for A. C-System With Silicon-Polymeric Housing
