

MENG SENG PLASTIC

Plastic Packaging Manufacturer

A plastic packaging manufacturer based in Thailand, specializing in serving the pharmaceutical, cosmetics, and consumer goods industries.

PRODUCT CATALOGUE

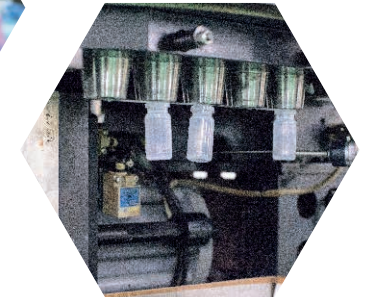

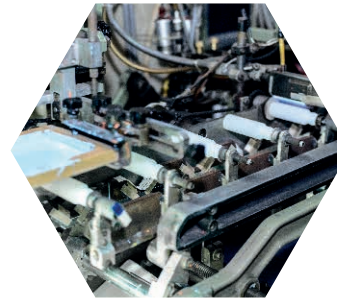

ABOUT US

ESTABLISHED SINCE 1986

With almost 40 years of experience, we are a leading manufacturer of high-quality custom plastic packaging solutions for diverse industries. From beverages to pharmaceuticals and cosmetics, our functional and cost-effective solutions have earned us a international reputation for excellence and trusted partnerships.

TECHNOLOGY

We have made substantial investments in cutting-edge machinery imported from Europe and Japan, enabling us to employ a wide range of advanced technologies in our manufacturing process. From Blow Moulding to Injection Moulding, Injection Blow Moulding, and Injection Stretch Blow Moulding, our state-of-the-art machines are meticulously maintained by our experienced team of technicians and engineers, ensuring optimal production efficiency and maximum productivity.

WHY US?

EXPERTISE

With almost 40 years of experience, our company has garnered worldwide recognition for our exceptional expertise and unwavering commitment to excellence.

BIODEGRADABLE GRADE

In line with our commitment to sustainability, we proudly offer a range of biodegradable choices to meet your packaging needs.

CUSTOMIZABLE

We specialize in providing customized packaging solutions that effectively showcase and sell your products with a unique design tailored to your brand.

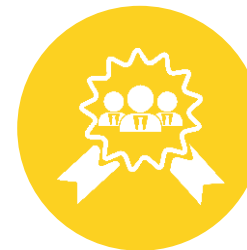

COMPETITIVE PRICE

Experience the advantage of our competitive prices as we bypass intermediaries and serve you directly as a manufacturer.

QUALITY GUARANTEED

Our commitment to quality is unwavering. Rest assured, our ISO9001:2015 certification guarantees that every product we deliver meets the highest standards.

AFTER SERVICE & SUPPORT

Our commitment to your satisfaction extends beyond the purchase. With our exceptional after-sales service, we are dedicated to addressing any inquiries or concerns you may have.
