KT PACKAGING

Table of Contents

KT Services	2–3
Bottles (10ml – 1,000ml)	4–25
Jars (1,000ml – 2,000ml)	26
Gallon containers (≥1,000ml)	27–31
Spout pouch	32–33
Caps	34–35
Sprayers	36–38
Pumps	39
Wide Caps	40
Gallon Caps	41–42
Detergent, cover caps, stoppers	43
Foils and spoons	44

KT SERVICES

Selling

We have many standard packaging options, supporting SMEs that only require small orders.
(min. 1 - 5,000 pcs)

Customize

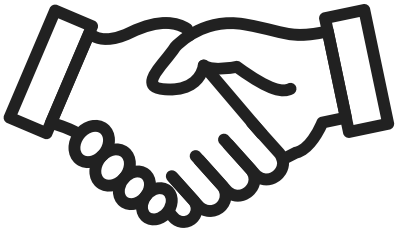

We can customize existing designs to meet your business needs, such as color and cap type.
(min. 5,000 - 10,000 pcs)

Procuring

We can find and procure packaging designs beyond our standard options according to your needs.
(min. depends on product)

Made to Order

We can produce completely new molds based on your desired design.
(min. 10,000 pcs)

PARTNERING WITH WORLD-CLASS FACTORIES

Modern and Advanced Machinery

Using high-tech production and assembly machinery, the products manufactured are of excellent quality, meeting global standards for export worldwide.

Hygienic and Compliant

With clean manufacturing lines and enclosed facilities that meet global hygiene standards, the packaging produced are free from contaminants and safe for further application uses.
