

## Systems

**Elevator Drive and Energy-Regenerating Systems**

**Industrial Robots**

**Robot Solutions**

**CNC Solutions**

**Hybrid Energy Saving Systems**

## Solutions

### Smart Machine

- Elevators / Cranes
- Rubber and Plastic Machinery
- CNC Machine Tools
- Electronic Equipment
- Packaging Machinery
- Industrial Robots
- Equipment Management System (DIAeBox)
- IoT+ & Cloud Solutions

### Smart Manufacturing

- Robot Work Stations
- Equipment IoT Solution (DIALink)
- Production Line Integration
- Production Visualization
- Manufacturing Execution System (MES)

### Smart Green Factory

- Energy Saving Solutions
- Facility Management Control Systems (FMCS)
- Water Treatment
- Drive System
- Revamping
