Thailand's Finest Snacks, Made for the World

Dear Valued Partner,

Thank you for taking the time to explore our 2026 Product Catalog.

Since our founding in 2001, SP Enterprise International has grown from a local Thai snack producer into a trusted manufacturing and OEM partner for retailers and distributors across Thailand and international markets.

Inside this catalog, you will find our complete range of authentic Thai snacks — from crispy fruit and vegetable chips to traditional Thai biscuits, dried fruits, nuts, grains, and premium seafood snacks. Every product is made with carefully selected ingredients, produced under GMP and HACCP certified standards, and crafted to meet the quality expectations of today's most discerning global markets.

Whether you are looking for ready-made products, OEM manufacturing, or a full private label solution, we are here to support your business every step of the way.

We look forward to growing together.

CERTIFIED

Founded in 2001, **S.P. Enterprise International Co., Ltd.** is a Thai snack manufacturer and repackaging specialist dedicated to bringing authentic Thai snacks to global markets. With more than two decades of experience, we operate as an integrated snack production and OEM partner.

Our product portfolio spans **nuts & grains, fruit & vegetable chips, biscuits & bakery, dehydrated fruits, fish snacks** and other Thai specialty snacks — offering OEM, private label, and flexible repackaging for both local and international buyers.

We operate as a fully integrated partner — from in-house manufacturing and product sourcing to repackaging and private label development. By working closely with local suppliers and carefully selected production partners across Thailand, every product meets rigorous standards for quality, food safety, and authenticity.

TRUSTED BY MAJOR THAI RETAILERS

Our established retail network spans Thailand's leading modern trade channels, with ongoing expansion into international markets through OEM and private label partnerships.

QUALITY & SAFETY CERTIFICATIONS

Food-grade production standards ensuring consistent quality & hygiene

International food safety management system for export markets

Registered exporter to China market through GACC certification
