Elegant Edge Kitchen

The modern and upscale playset has so many great features it'll make any adult want to play with it too! Toddlers can tend to their own kitchen with this spacious playset prepping play food on the large faux granite countertop washing dishes in the farmhouse-style apron sink and more. This elegant play kitchen was designed with luxury in mind from the real working lights in the oven and refrigerator to the premium "slate-style" appliance finishes and modern subway tile backsplash decals.

RAIN SHOWERS Splash Pond Water Table

Create a mini water park right in your backyard with the Rain Showers Splash Pond Water Table by Step2. The two-tier toddler water table design creates a showering splash below! Just scoop up water from the pond and pour into the top tray to make it rain. Watch as the rainfall activates the maze like spinners and ramps, a great way to show a cause and effect relationship.

Side-By-Side Push Around SUV

Take the fun of outdoor ride-on toys to the next level with the side-by-side design of this double ride-on! Two toddlers can ride comfortably in the all new Side-By-Side Push Around SUV™ by Step2 each with contoured seats and lots of leg room. From the realistic off-road SUV styling to the large wheels with swivel steering and extra storage under the seat bench this double ride-on toy has so many features that add excitement to any adventure. Buckle up with the two seat belts and fold the adjustable canopy down to lock into place for a shaded ride. Little ones can even pretend to drive their off-road dune buggy each with their own steering wheel!

Love and Care Deluxe Nursery

Everything toddlers need to play mommy or daddy to their baby dolls is included with the Love & Care Deluxe Nursery™ pretend playset. The all-in-one play nursery design includes storage space a baby doll high chair molded-in sink with swivel faucet and more. Put baby down for a nap with the adorable twirling mobile in the crib space that doubles as a changing station! When baby needs a change of clothes the hanging closet space has just the outfit they need. Little ones can also practice doing dishes in the sink after feeding time and laundry with the washer space with windowed door - just like a real front loading washer! Keep baby essentials close with the storage bins shelving and cabinets!
