

## International Electric Vehicle Technology Conference and Exhibition

6 June 2018

**Morning Session (08.30 - 12.30)**

**Room GH203, BITEC, Bangkok**

**International Electric Vehicle Technology Conference and Exhibition**

*Opening Ceremony*

In Conjunction with

International Conference: The Future of ASEAN'S Energy Journey

E-mobility - Smart Grid - Smart City

### **Agenda**

- |                        |  |
|------------------------|--|
| 08.30 - 09.00          | <b>Registration of guests and press</b>  |
| 09.00 - 09.05          | <b>Report on the Objective of ASEAN Sustainable Energy Week 2018</b><br>Mr. Manu Leopaiprote, Chairman of UBM Asia (Thailand) Co., Ltd.  |
| 09.05 - 09.10          | <b>Report on the Objective of Organising of iEV Tech 2018 &amp; Electric Vehicle Asia 2018 and 2018 IEEE Transportation Electrification Conference and Expo, Asia-Pacific on "E-Mobility: A Journey from Now and Beyond"</b><br>Dr. Yossapong Laoonual, President of Electric Vehicle Association of Thailand  |
| 09.10 - 09.15          | <b>Report on the Objective of Organising International Conference-Renewable Energy Asia, Conference on "The Future of ASEAN's Energy Journey E-mobility - Smart Grid - Smart City"</b><br>Assoc. Prof. Dr. Suneerat Fukuda, Director of the Joint Graduate School of Energy and Environment (JGSEE) and Center of Excellence on Energy Technology and Environment (CEE PERDO), KMUTT |
| 09.15 - 09.20          | <b>Welcoming Remark</b><br>Mr. Chiruit Isarangkun Na Ayutthaya, President of Thailand Convention and Exhibition Bureau (TCEB)  |
| 09.20 - 09.50          | <b>Opening and Keynote Address on "THAILAND 'S ENERGY FUTURE"</b><br>H. E. Dr. Siri Jirapongphan, Minister of Energy, Thailand   |
| 09.50 - 10.00          | <b>Official Opening Ceremony and Photo Caption</b>   |
| <b>Plenary Session</b> |  |
| <b>Chairman:</b>       |  |
|                        | <b>Assoc. Prof. Dr. Suneerat Fukuda</b> , Director of the Joint Graduate School of Energy and Environment (JGSEE) and Center of Excellence on Energy Technology and Environment (CEE PERDO), KMUTT   |
| 10.30 - 11.00          | <b>Cars 100 years later - motor/capacitor/wireless</b><br>Prof. Yoichi Hori, University of Tokyo, President of World EV Association and President of EV Association of Asia-Pacific  |
| 11.00 - 11.30          | <b>Update on recent developments of Thai energy policy in RE and EE</b><br>Dr. Twarath Sutabutr, Director-General, Energy Policy and Planning Office, Ministry of Energy   |
| 11.30 - 12.00          | <b>The building sector's contribution to the energy transformation and climate protection in the ASEAN countries</b><br>Dr. Dirk Schwede, University of Stuttgart, Germany   |
| 12.00 - 12.30          | <b>On the road to e-mobility: chances and essential steps for ASEAN states</b><br>Mr. Daniel Borrmann, Fraunhofer Institute for Industrial Engineering IAO, Germany  |
