Advertising panel;
Optional LED in three color
Metal detection (Dual);
Anti-collision bar

Mercury Grand

Mercury Classic
(The version with Visitor Counter)

Specification

Centre frequency: 8.2MHz

Power consumption: 24W(Mono) 18W(Dual)

Working voltage:18VAC/24VDC(Mono) 12VDC(Dual)

Current: 0.1A@230VAC, 0.2A@120VAC

Environmental:

Temperature: 0 °C ~ 35 °C (32 °F ~ 95 °F)

Relative humidity: 0 to 85% non-condensing

Lamp: Optional(Red/ Green/ Blue)

Dimension:

CA35: 1670×401×109mm

CA35X: 1670×459×118mm

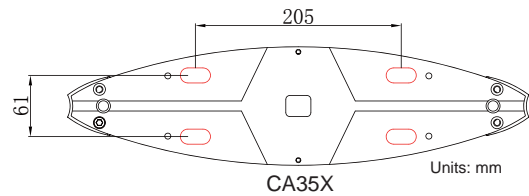

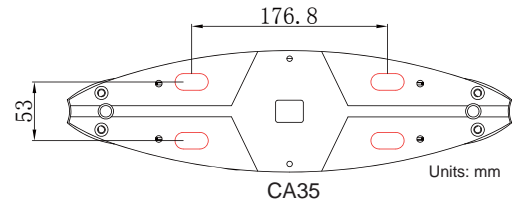

Advertising Panel: CA35: 1409×328×2mm

CA35X: 1407×384×2mm

Alarm volume: Up to 100dB (Mono)

95dB (Dual)

Application: Supermarkets
