

A photograph of a set table with white porcelain dishes, glasses, and a vase of white lilies. The table is set with a light blue tablecloth. In the foreground, a large white bowl sits on a matching plate. Behind it, a smaller white cup and saucer are visible. To the right, several tall, elegant glasses are arranged. In the background, a vase filled with white lilies and green leaves adds a touch of nature to the scene. The overall aesthetic is clean and sophisticated.

**REFLECTIONS**

Resonance of a double curve; the embodiment of artistic expression.  
Contrast entoned by the harmony of large & small volumes that accentuate  
volumn combination and overall aesthetic appeal.  
Plump, voluptuous, like a "Botero" sculpture. Timeless, charming & whimsical.  
DUO transcends inspiration, aspiring to be the most sculptural of forms.
