

ADC KRONE – INDOOR DISTRIBUTION STEEL CABINET

KRONE Indoor Distribution Steel Cabinet

KRONE's range of wall or floor mounted internal distribution cabinet are designed for KRONE LSA-PLUS/Profil modules. The boxes are of a welded of 1.6 mm. thick galvanized steel. The color is beige or gray epoxy, electrostatic powder coated.

- **Jumpering**
Boxes are provided with full length horizontal and vertical jumper guides.
- **Doors**
Boxes are designed to allow easy door reversal from one side to the other. Boxes wider than 700 mm have double side doors with 3-point center lock. A rubber sealant strip is fitted to the door panels.
- **Locks**
Standard provisions for smaller boxes are flush door lock with key, but optional key locks are available. Double door versions have handle with key lock.
- **Document Holder**
A document holder with visual indication fitted inside of the door is optional available.
- **Colors**
The boxes are provided primed and painted in a textured finish, beige. Other colors are available upon request.
