Kronection Box , Plastic outdoor box (DP)

Box A-30

Box A-100

The A30 and A100 Kronection boxes are designed to accommodate up to three and up to ten LSA-Plus/Profil Modules, respectively. The box can be mounted directly on the wall or a pole. The cover has a special hinge, which keeps it open during installation work so that it functions as protection against the rain (IP55). Used when flush mounting a Kronection Box.

Part No.	Description
