

The Atollspeed Microwave & Convection Oven is one of the newest innovations from Kolb.

**Features:**

- Touch-glass control panel, just plug in and use
- Defrosting, cooking and baking food in one step
- Intelligent programming procedure, easy to operate, energy saving
- Internal catalytic converter, suitable for both indoor and outdoor settings
- Suitable to use metal utensils for versatile applications

Oven is considered as the heart of a bakery, it is also the core product of the Kolb equipment range. We offer a variety of different ovens.

Premium image, easy to operate, consistent baking result, outstanding insulation, and the solid stainless steel structure have been attributed to the core value of the Kolb brand.
