

Versa

HomeTravel Series | Air+Surface Sterilizers

#CleanAirWhereverYouGo

3 Reasons Versa is the perfect HomeTravel Companion

#1: Versa protects you, wherever you go.

Tested scientifically to eliminate 99.9% of all known bacteria, viruses, dust mite allergens, moulds and other harmful pollutants in the air, from air conditioners and on surfaces of beds, cushions, curtains and carpets of hotel room.

Versa protects you from microscopic dangers, at home or on your travels.

#2: Light. Small. Effective.

Weighs lighter than a tablet - only 220 grams. Comes in two models covering 250 sq ft and 450 sq ft respectively.

#3: Pick any number of extra colours

Versa casing comes in 8 exciting colours. Get additional colours to suit your mood or design.
