Countertop Nugget Ice Makers and Dispensers

Like all Manitowoc products, Countertop Nugget Ice Makers and Dispensers are designed with safety and sanitation in mind. Featuring **built-in sensors for touchless dispensing, one-touch cleaning, and DuraTech™ front panels** for easy cleaning, Manitowoc Countertop Nugget Ice Machines and Dispensers are a safer solution for your ice and water needs.

The **streamlined design** and small footprint make them an excellent choice for breakrooms, conference facilities and nurse's stations, providing **clump-free dispensing** and a soft, satisfying crunch.

Nugget ice consists of small pieces ranging from 3/8" to 1/2" in width and length on average. With a 84% ice to 16% water ratio, this ice provides excellent cooling and a chewable texture while dispensing easily.

**TOUCHLESS DISPENSING**
