

Btb globalize

At BTB Globalize, we use our experience and expertise to be the partner you can count on. Our mission is to help you reach your production goals with greater efficiency and long-term sustainability.

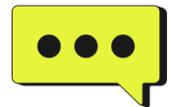

C O M P A N Y

PROFILE

About Us

Thank you for your time to view our company profile. We would like to introduce you to BTB Globalize.

BTB Globalize is a manufacturer and importer of high-quality, cost-saving spare parts. We are also an innovator in bottle conveyor systems, **helping to upgrade machinery and boost production efficiency.** We specialize in machinery from Germany, Italy, and Japan.

What We Do

Our Services

- **On-site consultation:** Our Service team visits your factory to understand your specific needs
- **Parts list and drawings:** We compile a list of required parts and technical drawings for your machinery.
- **Data comparison:** We verify and compare the information with your existing parts to ensure accuracy.
- **Solution proposal:** We propose the parts we can supply, along with suitable options tailored to your requirements.

High-Standard Quality at the Best Price | With Warranty and After-Sales Service

PRODUCTS

About Us: Abridged Version

From a manufacturer to a leader in developing the best innovative bottle conveyor systems.

Our Factory in Austria, Europe

Our factory, founded in 1981 in Austria, Europe, specializes in manufacturing spare parts for leading high-speed machine manufacturers from Germany, Italy, and Japan.

A Patented Innovator

We are the owner of the patent for an innovative conveyor system, the first and only of its kind in the world.

- Reduced Losses
- Less Downtime
- Increased Productivity
- Precise Positioning
- Enhanced Safety

BTB Globalize Co., Ltd. has established a branch in Thailand.

BTB Globalize Co., Ltd. has established a sales and marketing office in Thailand to provide comprehensive services and consultation to local beverage manufacturers.

Currently

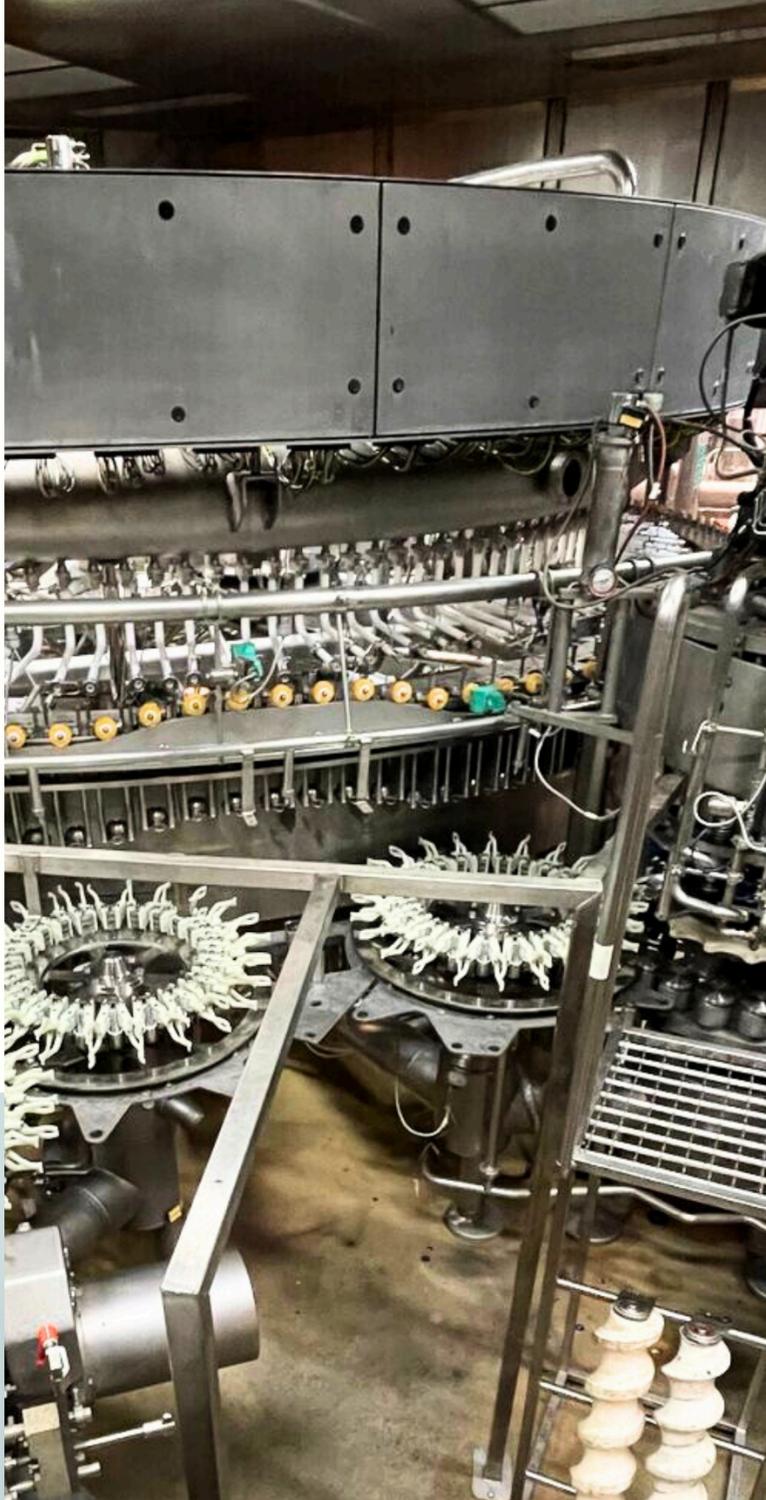

The main goal of the BTB team is to ensure our customers in Thailand have access to

"high-quality parts at the best prices."

We also provide our innovative solutions for trial and offer excellent after-sales service.

Additional Services

- การบริการเพิ่มเติม (Additional Services)
- รับทำอะไหล่ตามแบบ (ผลิตตามสั่ง) (We can produce parts based on custom designs.)
- รับซ่อมแซมอะไหล่ (We offer spare parts repair services.)
- รับสั่งอะไหล่จากยุโรป (We can order parts directly from Europe.)

We provide services for machine
UPGRADE
& RETROFIT.

For Asian and Italian brand machinery, especially older German brands.

Part Survey & Design Collection:

We survey and collect designs for obsolete parts.

Comprehensive Report:

We deliver a report detailing all parts that need to be replaced.

To provide more options for easier and more cost-effective sourcing of parts.

We provide comprehensive services to over 1,500 production lines globally.
