

SINDHORN RESIDENCE BANGKOK

THAILAND, SINDHORN RESIDENCE is at the epicenter of Bangkok's vibrant heart and is surrounded by the best the Bangkok has to offer for business and leisure. With the Embassy district of Wireless Road on eastern side, the retail hub of Ploenchit Rd on the northern side, Ratchadamri on the western side, and Bangkok's Lumpini Park on the southern side, all conveniently located within walking distance from Sindhorn Residence. The CBD's of Silom, Sathorn, Sukhumvit and Ploenchit are all conveniently located around Sindhorn Tower.

MASTER PLAN

In the pursuit of excellence and creating homes of distinction for our residents. This philosophy permeates throughout the master plan in areas of design, construction, security and sustainability.

SIMPLICITY & COMFORT

Siam Sindhorn have specified that the master plan features maximum green spaces with a low-density ratio, which translates to a generous 'double the allocation of green spaces' beyond the standard required.
