What is the difference between need and want? Everyone needs water, food, fresh air, home and clothes. These keep us healthy and warm. Without these things, we can't survive. Especially nowadays, we need jobs to maintain these necessities for a living. However, the word "want" doesn't always mean something essential. For example, I want earrings, I want new car or I want ice cream. These aren't basic necessities of life, and this is the difference between "need" and "want".

16. What is the difference between needs and wants?

1. Needs are not necessary but wants are essential.
2. Wants are not necessary but needs are essential.
3. Needs can be earrings, sport car and ice cream.
4. Wants can be earrings, sport car and ice cream.

17. Why is having a job important nowadays?

1. Because jobs are essential for human survival.
2. Because jobs are not essential for human survival.
3. Because having a job allows us to own a car.
4. Because having a job allows us to own the expensive earrings.

18. What are basic human needs?

1. Mineral Water
2. Expensive earrings
3. Sport cars
4. Home

19. What is essential for humans that was not mentioned in the article?
