

ใช้งานง่าย เพียงแค่ใส่เข้ากับเครื่อง

Adjustable speed Up to 60,000 RPM

Experience high speed cutting
Better surface finishing quality
Reduce machining time
Higher productivity
Reduce tool wear
Save energy
Plug & Play

ALL IN ONE >> High frequency spindle - Tool holder - Electronic control display - Battery

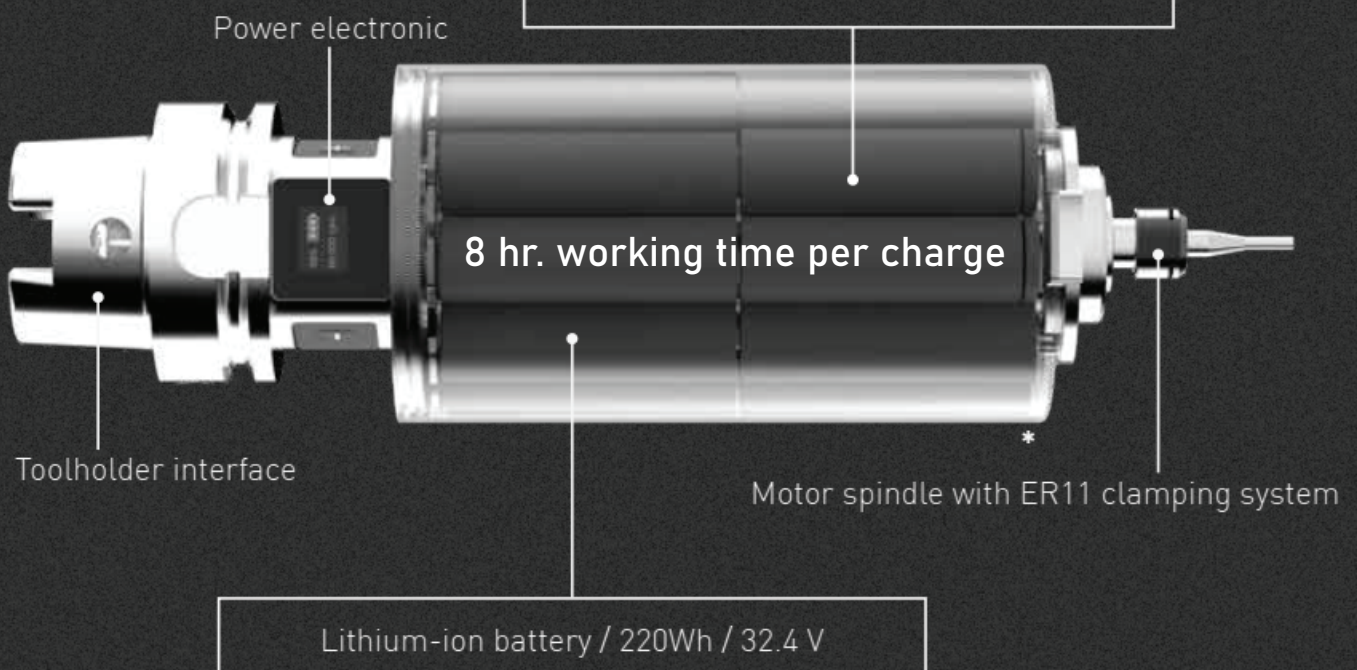

THE INNOVATIVE DESIGN OF THE **SPEEDER 60 ER11**

HIGH SPEED BATTERY SPINDLE

SPEEDER 60 ER11

Power supply via rechargeable **battery**

- ▷ Quick battery change
- ▷ Impressive capacity
- ▷ Seamless operational transition
- ▷ Optimal use of resources

Made in Germany
