About Us

TAWABIL is one of the business lines managed by PT Karya Indah Group. We are a supplier and exporter of agricultural products from Indonesia. Established in 2021, we are committed to providing and exporting the highest quality spices, herbs, and agricultural products to the international market.

OUR WORK PRACTICES

At Tawabil we believe in the power of collaboration and long-term partnerships, that's why we work closely with farmers, and other trusted suppliers to ensure that we only have the highest quality spices. Through strict quality control measures, we ensure that every spice we supply meets our standards of authenticity and taste.

With our strategic location in Indonesia, we have access to vibrant farms and a rich diversity of resources.

WORK WITH VALUE

Our core values of excellence, integrity, innovation, and customer-centricity all converge to ensure that our clients' best interests are prioritized

How We Work?

We adhere to a systematic process that ensures our operations remain structured and streamlined. This approach, spanning from order initiation to completion, follows a well-defined plan that guarantees a seamless workflow and client satisfaction with the outcomes.

1. Consultation and Understanding

We initiate each project by engaging in personalized consultations with our clients. This helps us understand their unique needs, objectives, and preferences.

2. Tailored Solutions

Based on the gathered information, we tailor solutions that precisely address our clients' requirements and align with their business goals.

3. Transparent Communication

Open and honest communication is key to our procedure. We maintain clear and transparent communication channels with our clients, ensuring they are informed at every stage.

Amidst the intricacies of the task at hand, we navigate with meticulous precision. Our procedural approach harmoniously combines strategic orchestration with the utmost attention to detail.

5. Quality Assurance

Our dedicated quality assurance team rigorously monitors the project's progress, ensuring that it adheres to our high standards and client specifications.

6. Logistics and Delivery

Our logistics experts coordinate the movement of spices, from sourcing to delivery, leveraging technology for real-time tracking and efficient transport.

8. Continuous Improvement

We embrace a culture of continuous improvement, evaluating our processes and seeking ways to enhance efficiency, quality, and customer experience.

Our work procedure embodies our core values and guides us towards delivering excellence in every endeavor. It's a testament to our dedication to shaping successful collaborations, enriching your business, and fostering mutual growth.

From understanding what you need to delivering top-quality spices, we focus on every detail to make sure you're happy with the results.

Our Products

We take pride in offering a diverse range of premium Indonesian Spices, catering to the unique preferences and needs of our valued clients.

1. Whole Spices

We offer whole spices used in their natural, unprocessed form, without being ground into a powder. These spices retain their original size, shape, and texture, and they often have a longer shelf life compared to their powdered counterparts. Whole spices are prized for their intense flavors, aromas, and the ability to infuse dishes with a unique depth of taste.

2. Powder Spices

Carefully prepared through grinding, these powdered spices effortlessly blend into recipes, evenly distributing their distinctive tastes. From the warmth of ground cinnamon to the boldness of powdered cumin, these versatile culinary enhancements are essential in creating diverse cuisines.

3. Vanilla

Elevate your product line with our premium vanilla, sourced from meticulously nurtured orchid blossoms. Crafted to meet the demands of bulk imports, our versatile whole vanilla pods and meticulously extracted vanilla essence infuse a refined sophistication into your offerings.

4. Briquettes

Our briquettes are a harmonious fusion of carefully selected natural ingredients, meticulously composed to deliver an unparalleled energy solution. Crafted from sustainably sourced materials, our briquettes embody the synergy of efficiency and environmental consciousness.

5. Coconut Powder

Elevate your product offerings with our exquisite coconut powder, a versatile ingredient that brings the essence of the tropics to your business. Sourced from the finest coconuts, our premium coconut powder is meticulously processed to ensure the preservation of its rich flavors and creamy textures.

6. Mastika

Enhance your business portfolio with our premium Mastika products, designed to elevate your offerings and captivate your target market. Our meticulously sourced and crafted Mastika products embody the essence of Mediterranean tradition, presenting a unique selling proposition that can set your business apart in a competitive landscape.

Our Workflow

After receiving the order, our dedicated team of experts conducts personalized consultations with the client. We take the time to understand their unique needs, desired outcomes, and any particular considerations to offer tailored solutions.

Quotation and Agreement

Based on the consultation and research, we provide a detailed quotation outlining the scope of the services, cost breakdown, and estimated timeline.

Order Processing

After receiving the client's confirmation and necessary documentation, we initiate the order processing.

Quality Control and Inspection

As part of our commitment to delivering excellence, we implement stringent quality control and inspection procedures.

Logistics Coordination

Our logistics service embraces a tailored approach, meticulously customizing solutions to meet specific requirements, preferences, and budget.
